TECH *nician*

CHICAGO VOCATIONAL SCHOOL

THE PALACE

HANDS AT WORK HAVE BEEN TIMELESS, BUT THIS PLANT OPERATES THIRTEEN HOURS EACH DAY AND FIVE DAYS EACH WEEK TO TRAIN HANDS FOR A CHOSEN VOCATION. OUR REGULAR DAY SCHOOL PERIOD RUNS FROM EIGHT IN THE MORNING UNTIL FOUR-THIRTY. THE EVENING SCHOOL CONVENES AT SIX FORTY-FIVE AND TERMINATES AT NINE

FORTY-FIVE. TEACHER TRAINING IS IN PROGRESS BETWEEN FOUR-THIRTY AND SIX. SOME APPRENTICES ATTEND THE DAY PERIODS, OTHERS ATTEND NIGHTS ONLY; SOME ATTEND BOTH. WE SERVE LUNCHEON AND DINNER FOR A SMALL FEE. (NOT AN ADVERTISING STUNT.)

PEDESTRIAN TRAFFIC PROBLEMS DO NOT DAUNT OUR COHORTS AS A BUILDING CHART AND A STRONG PAIR OF LEGS WILL GET YOU TO THE SPOT AT THE RIGHT TIME IF A LITTLE THOUGHT IS ADDED TO THE DAILY ITINERARY. A BICYCLE WOULD HELP IF IT WEREN'T FOR THE STAIRS.

HANDS *at work*

BROWSING THROUGH HISTORY'S PAGES WE SEE THE WORK OF HANDS IN PICTURES OF THE CRUDE STONE TOOLS OF EARLY MAN. STEP BY STEP THE TOOLS DEVELOP INTO THE HUGE AND COMPLICATED POWER MACHINERY OF TODAY. EVEN THESE ARE POWERLESS WITHOUT HUMAN HANDS TO GUIDE THEM. AS THE HAND BECOMES ONE OF WORK, ONE OF DUTY, A CREATIVE HAND, SO IT BECOMES ESSENTIAL TO INDUSTRIAL AND SCIENTIFIC PROGRESS. "HANDS AT WORK" ARE LIKE A CHAIN ABOUT THE WORLD HOLDING IT TOGETHER. SOON HANDS BECOME LIFELESS, BUT THE WORK THEY HAVE ACCOMPLISHED REMAINS AS A MONUMENT TO THEIR MEMORY.

THE DIRECTOR

CLAUDE H. EWING, Ph.D. and
MIRIAM JUNG, his secretary.

A Message To The Graduates

AS THE END OF ANOTHER SCHOOL YEAR SHOWS ME TWO MORE STUDENT GROUPS COMPLETING THE VOCATIONAL COURSE, I PONDER OVER YOUR ACCOMPLISHMENTS OF THE PAST FOUR YEARS. I WONDER HOW MEANINGFUL THE THEME OF THIS YEAR'S PUBLICATION BECOMES WHEN APPLIED TO YOUR LIVES.

"HANDS AT WORK" REFERS TO GUIDED, SKILLFUL, AND WILLING HANDS TRAINED FOR TASKS WHICH FIT A PREDETERMINED PATTERN. SKILLED HANDS DETERMINED TO MEET STANDARDS HIGHER THAN THOSE DEMANDED WILL BENEFIT SOCIETY. HANDS THAT HOLD THE SCREWDRIVER, WRENCH, OR TORCH; HANDS THAT GLIDE OVER THE TYPEWRITER KEYS; HANDS THAT GUIDE THE SHEARS THROUGH METAL OR THE SCISSORS THROUGH CLOTH; ARE HANDS WITH CALLOUSES WORN TO FIT THE TOOLS. LIFE'S BEST PORTRAIT OF THE GRADUATE AND OF CHICAGO VOCATIONAL SCHOOL IS SOCIETY'S PICTURE OF HIS OR HER WILLING "HANDS AT WORK".

ADMINISTRATION

J. H. Cook

E. H. Smith

THESE "HANDS AT WORK" GUIDE THE INDIVIDUAL STUDENT THROUGH HIS FOUR YEARS OF INTERACTION WITH HIS FELLOWS, HIS VARIOUS ASSOCIATED GROUPS, BOTH CURRICULAR AND EXTRA-CURRICULAR, AND THE MEMBERS OF HIS FACULTY.

IN THE UPPER LEFT WE SEE CHARLES R. MITCHELL, ASSISTANT DIRECTOR, CONFERRING WITH FRANCIS W. FLYNN, SHOP SUPERINTENDENT, WHILE SECRETARY VIRGINIA HONAN KIBITZES WITH THE NOTEBOOK.

EDWARD K. KIMPTON AND LOUIS T. COOK ARE DISCUSSING A TOUGH STUDENT PROBLEM (PROBABLY A POTENTIAL ALL AMERICAN); ED DOES THE PROGRAMMING WHILE "TED" HANDLES ADJUSTMENT. BOTH GENTLEMEN ARE MEMBERS OF THE DRAFTING DEPARTMENT.

THE GALS THAT DECORATE THE MAIN OFFICE READ FROM LEFT TO RIGHT: MARY MOONEY, MARYHELEN RYAN, IRENE O'DONNELL, AND ROSEMARY KATZMARK. MARY KNOWS ALL THE ANSWERS OR CAN FIND 'EM; MARYHELEN IS BECOMING A GREAT BOWLER; IRENE "SECS" FOR FRANK DAILY, AND YOU SHOULD SEE ROSEMARY DANCE!

FRANCIS J. DAILY AND GLADYS FALAHEY HANDLE THE TRIFLING SOCIAL AND SCHOLASTIC PROBLEMS OF OUR BOYS AND GIRLS, RESPECTIVELY. THEY MEET A FEW PARENTS TOO, AND BOTH ARE MEMBERS OF THE ENGLISH DEPARTMENT.

ISADORE M. FENN, ANOTHER MEMBER OF THE ENGLISH DEPARTMENT, IS OUR REGISTRAR. FRANCIS P. SHEA IS PLACEMENT COUNSELLOR. MR. FENN ENROLLS AND CREDITS; MR. SHEA STARTS OUR "HANDS" AT WORK.

Vice President

JACK HARGETT—Graphic Arts—Dancing Club; Glee Club; Honor Society; Intramural Basketball; Student Council; Technician.

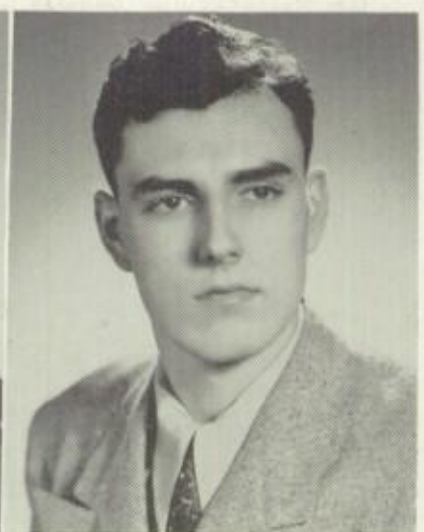

Secretary

AUDREY PAUL—Architectural Drawing—Senior Girls Council; Architects Club; Dancing Club; Guide Service; Intramural Baseball; Rollers; G.A.A.

Treasurer

ROBERT STORIE—Automotive—Hall Guard; Intramural Basketball; Student Council; Wrestling.

Sergeant at Arms

LOUIS SCOTT—Architectural Drawing—Basketball; Hall Guard.

Graduating Class of June 1950

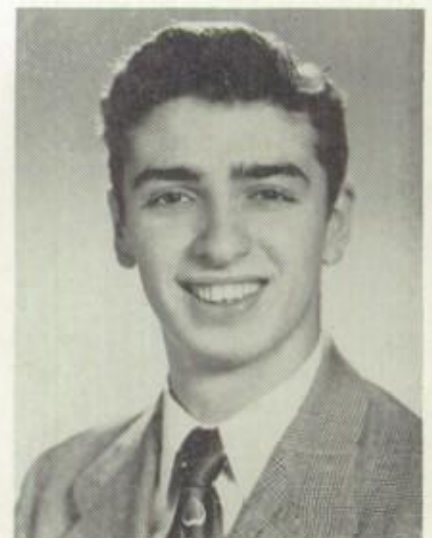

Our class entered in September of 1946, and was the first to include freshmen girls. Almost one-fifth of our five hundred twelve graduates are girls and we are certainly proud of them. As our high school career draws to a close, we, the officers, represent our class in expressing thanks to our sponsor, Harold Taylor, and to the members of the faculty and administration for helping make possible what has perhaps been the most enjoyable of our youthful years. We have seen our school's mushroom-like growth and have witnessed the graduation of classes as small as fifty

students. Ours is the largest class ever graduated. The size of our class has brought up a new problem which, at this writing, is unsolved. The auditorium at the Palace does not seem large enough to handle the crowd so we do not know where the exercises will be held.

We shall take this opportunity to congratulate the members of our group upon their contributions to scholastic, social, and athletic attainment and wish them every future success in the vocations for which they have been trained.

President

RONALD TAYLOR—Architectural Drawing—Basketball; Honor Society; Intramural Basketball; Lettermans Club; Hall Guard.

*Best Wishes
Mary Ann Rapacz*

MARY ANN RAPACZ—*Costume Design—Student Council; Dancing Club; Honor Society; Hostess Club; Intramural Basketball; Intramural Baseball; Band.*

Treasurer

LAWRENCE ELL—*Electricity—Basketball; Hall Guard; Student Council; Leaders.*

Graduating Class of January 1951

Ours was the third class to begin its career at the Palace; we wide-eyed freshies came into the most beautiful school in the world in February, 1947, shortly after the Navy had withdrawn its forces. During our brief four years we have seen our comparatively new school triple itself in size. We have seen CVS rise to a point in scholastic standing as well as in athletics that has demanded the respect of all other Chicago High Schools. We have seen our shops and drafting groups compete in national as well as local contests and win many

awards. We have seen our Technician win the first place award in a national vocational contest. We have seen city championships won in basketball, wrestling, bowling, and golf. Our class has tried to do its small share in making CVS the greatest school in the country.

In parting, we offer thanks to our faculty and administration for their help in making our tenure profitable and enjoyable and we trust that our "hands at work" will show future achievement worthy of their training.

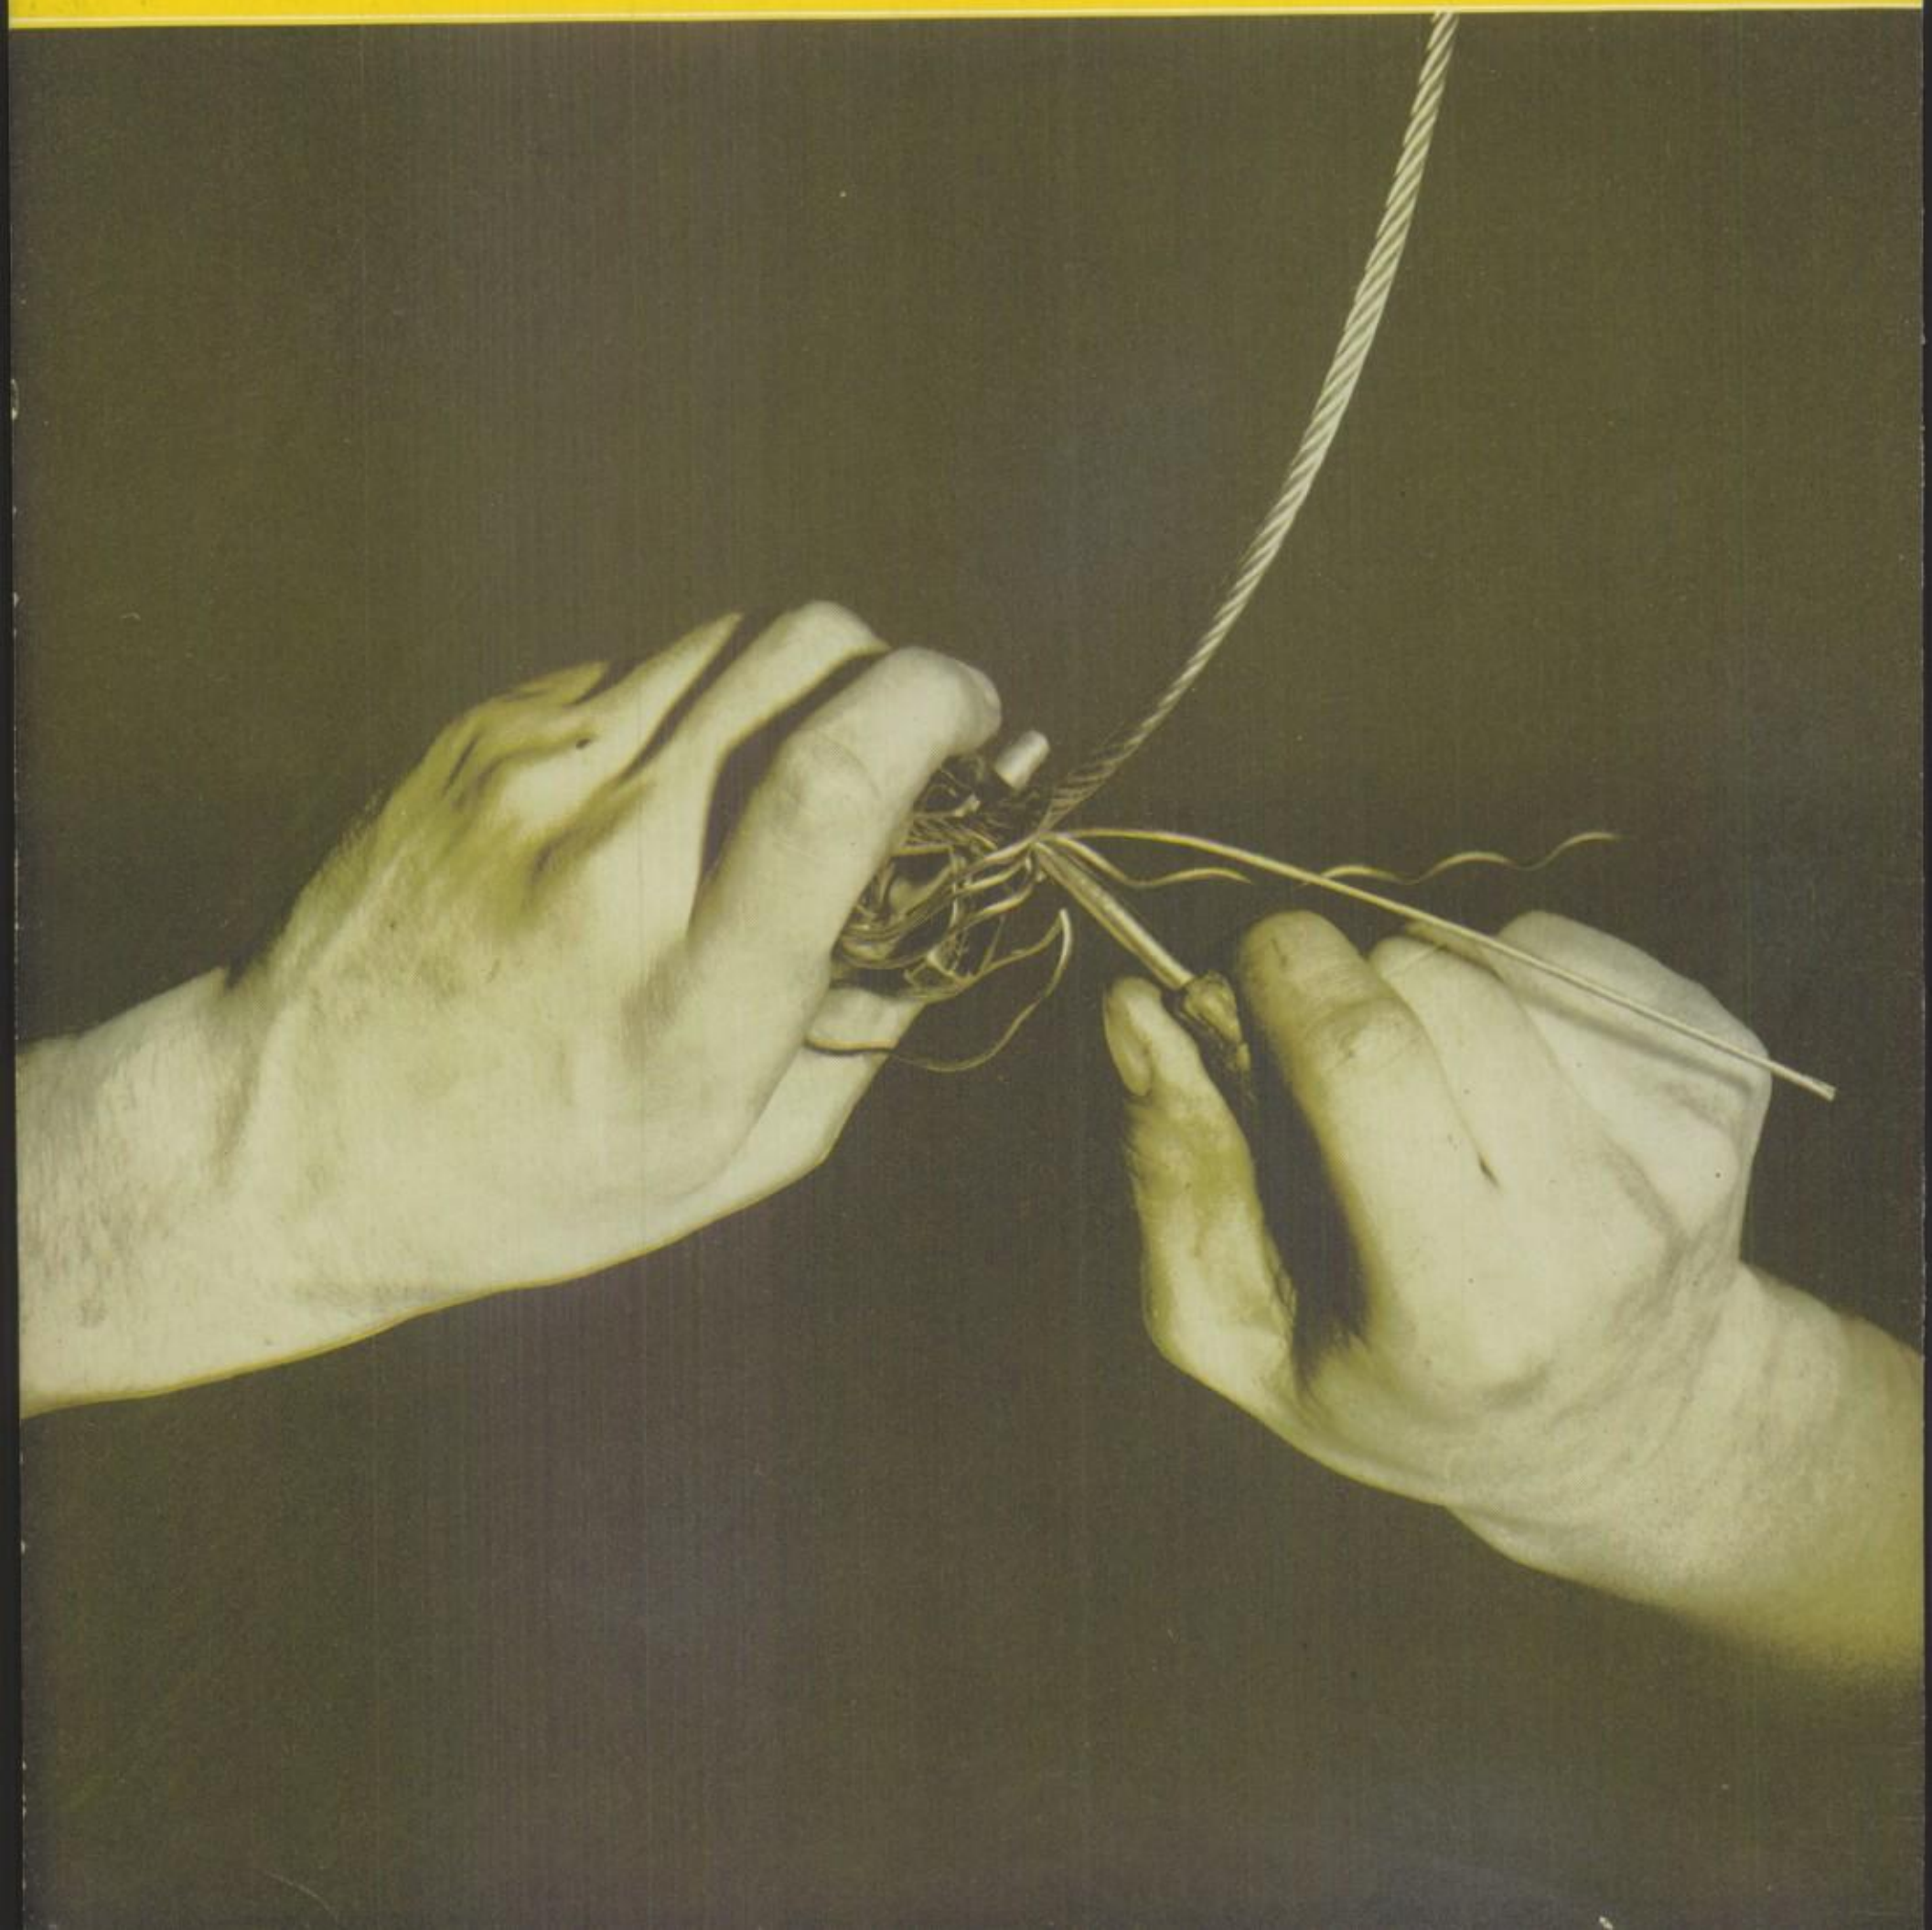

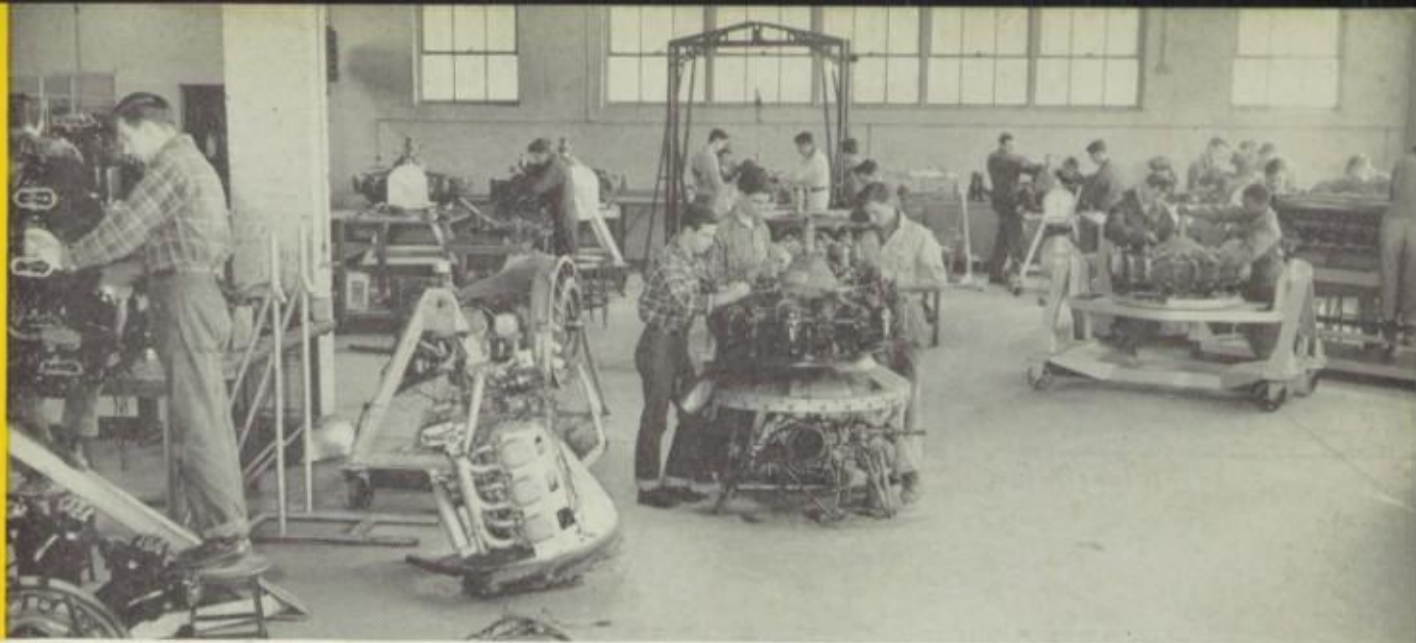

Sponsor

WILLIAM G. JUST—*Cabinet Making.*

AERONAUTICS

Engines • Structures • Maintenance

AERONAUTICS OFFERS OPPORTUNITIES FOR THOSE WHO HOPE TO COPE WITH THE FURTIVE FUTURE. ENGINES, STRUCTURES, MAINTENANCE, AND OPERATION ARE WITHIN THE SCOPE OF THE COURSE. THE MAIN ENDEAVOR IS DIRECTED TOWARD TRAINING QUALIFIED CAA MECHANICS. THE POSSIBILITIES COMPRISE PILOTS, DESIGNERS, GROUND-CREW-MEN, AND SCHOOL TEACHERS. MODELS OF ALL SORTS ARE INCLUDED IN THE PROGRAM FOR THE FUTURE, AND A PLANE THAT WAS COMPLETELY REBUILT AT CVS WAS FLOWN FROM THE 87th AND ANTHONY STRIP LAST YEAR. HERE, THE "HANDS AT WORK" DEFY FATE AND SPLICE WIRE TO INSPIRE FLIGHT AND MAKE IT SAFE.

Our hanger was an addition to the building made by the United States Navy in 1942. It is here that all our complete airplanes are housed and the place where repair and maintenance of structures is taught with on the job practice.

On the left we see Bill Holm, Bob Rowan, and Ed Jacobson hard at work in Sunday coveralls. Below there is some trouble with a tail assembly and the hands are at work.

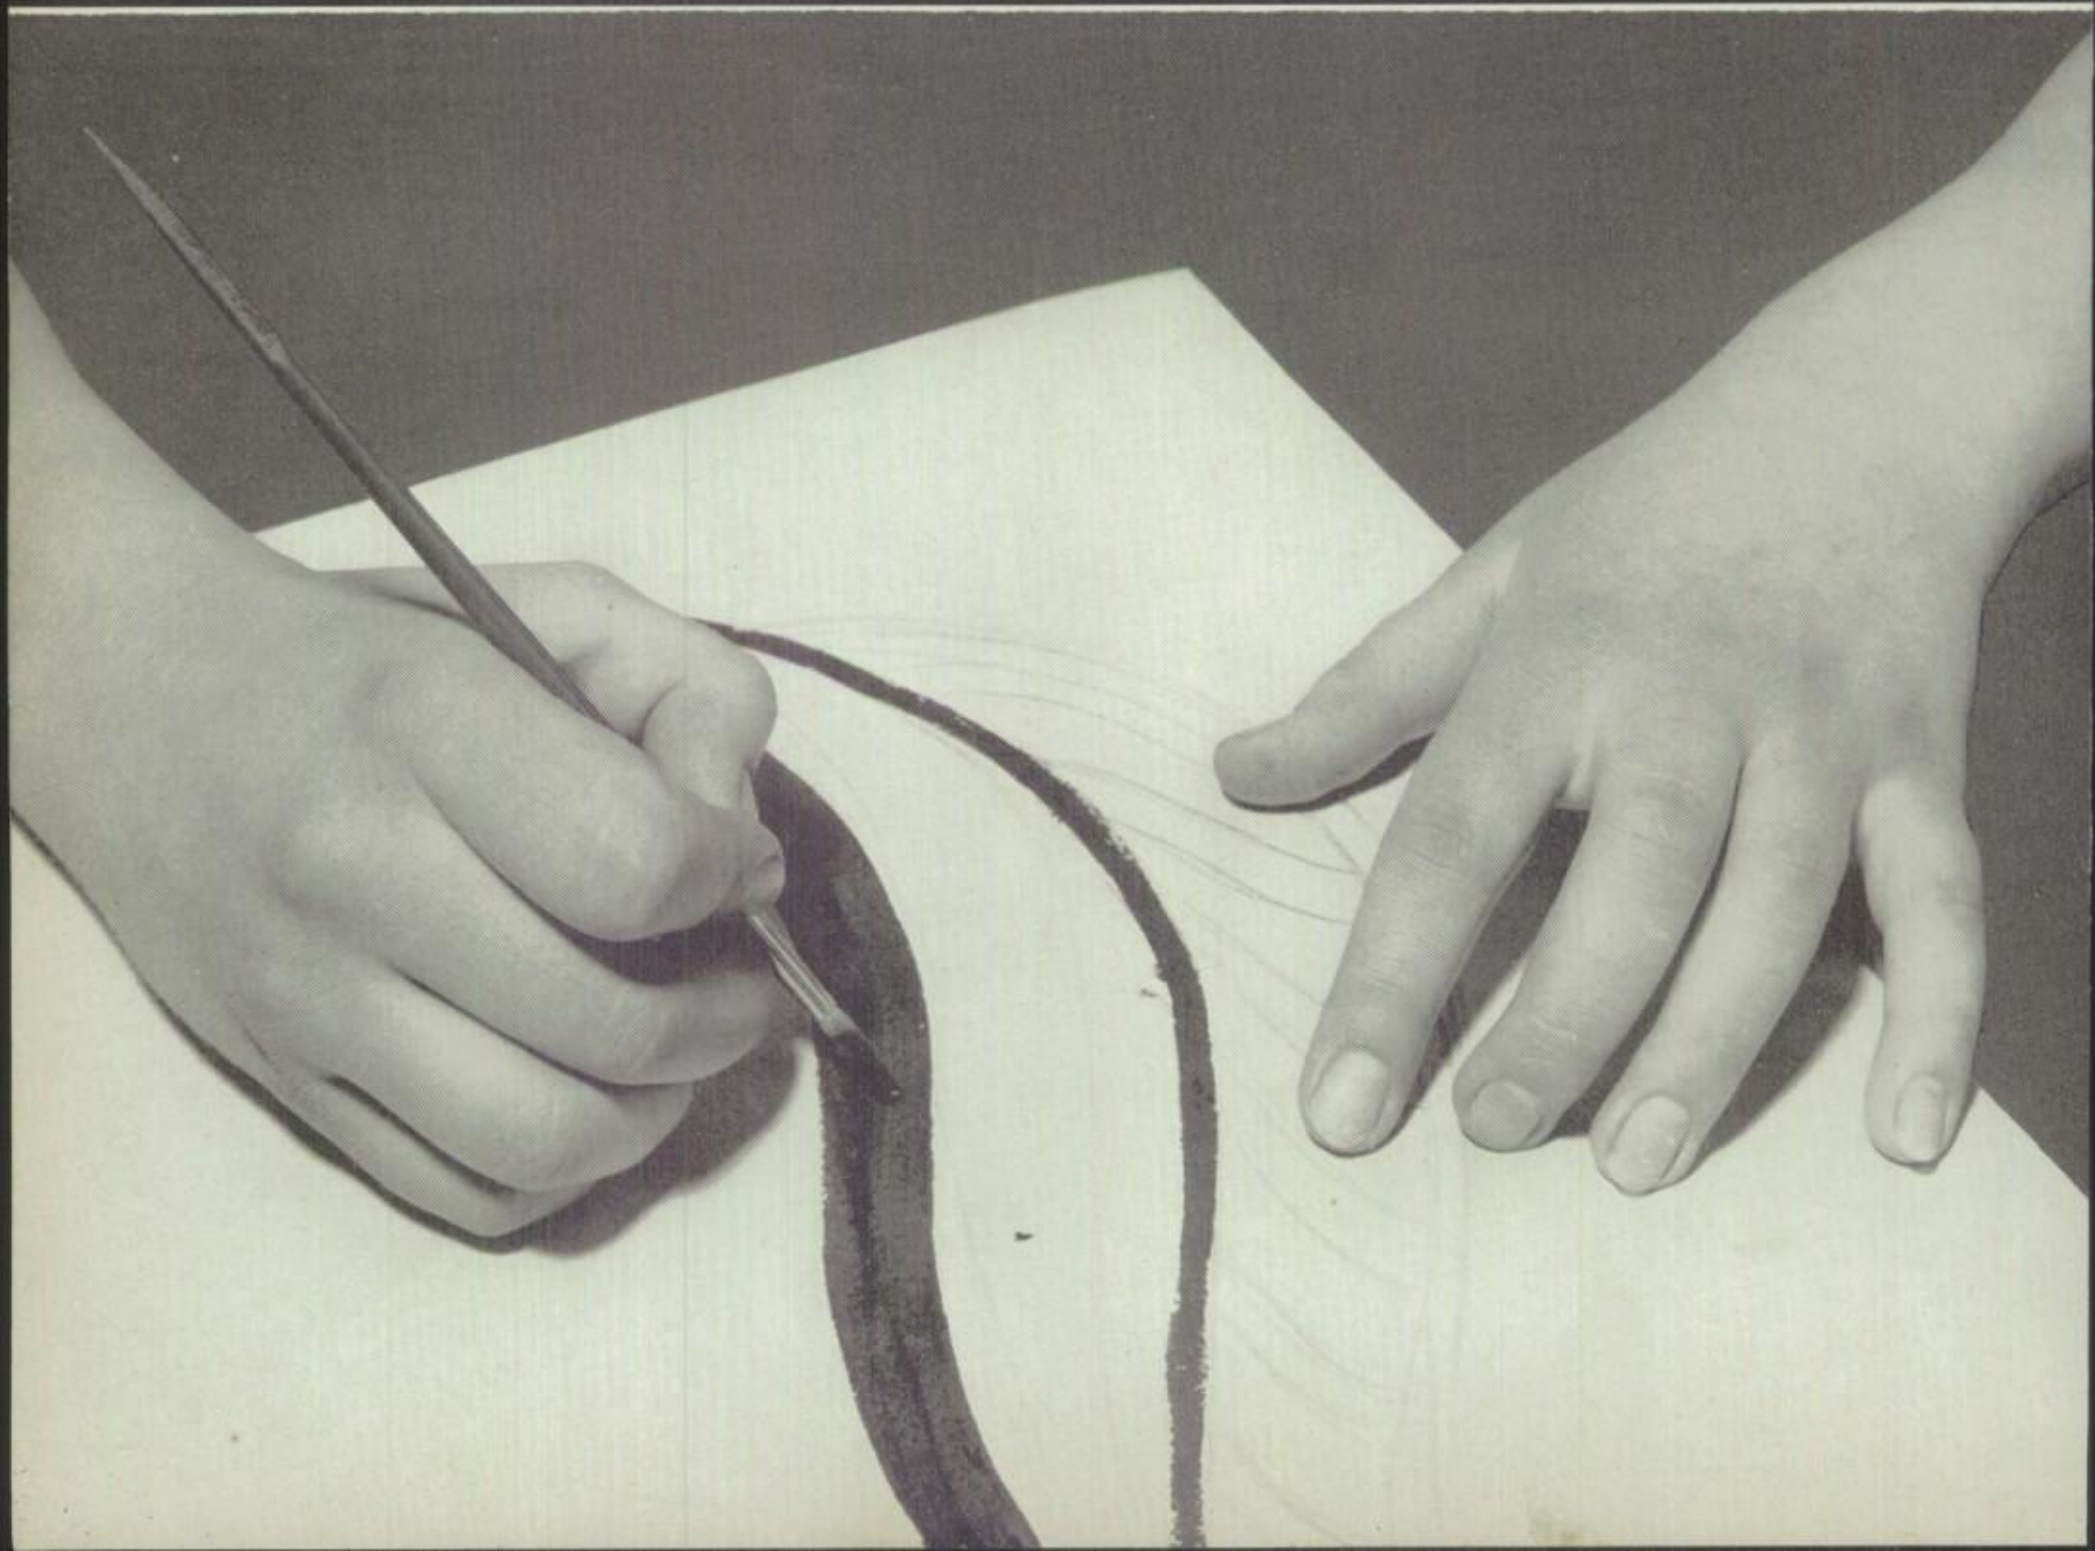

ART

COSTUME DESIGN

ADVERTISING ART

INTERIOR DECORATING

VOCATIONAL ART IS OFFERED IN EITHER A THREE OR A FOUR YEAR COURSE AND COVERS A RATHER BROAD FIELD. THE FIRST YEAR OR TWO IS DEVOTED TO EXPLORATORY EXPERIENCE WHERE THE STUDENT IS PROVIDED WITH A WELL ROUNDED BACKGROUND IN THE PRINCIPLES OF ART, INCLUDING DRAWING, DESIGN, AND COLOR. IN THE LATTER PART OF THE CURRICULUM SPECIALIZED TRAINING IS OFFERED. THIS TRAINING IS PLANNED TO SUIT INDIVIDUAL INCLINATIONS, TALENTS, AND EMPLOYABILITY. KEEN OBSERVATION, LOGICAL CONSTRUCTION OF IDEAS, EXERCISE OF GOOD JUDGMENT, DEVELOPMENT OF MEMORY AND IMAGINATION, ARE STRESSED FOR THE ART STUDENT IN ACTIVE CLASSROOM PRACTICE.

COMMERCIAL ART INCLUDES EVERY PHASE OF ART FOR COMMERCE AND INDUSTRY. MOST ARTISTS ARE TRAINED, PRIMARILY, TO EXCEL IN ONE SPHERE OF THIS VAST FIELD. CVS TRAINS LETTERING ARTISTS, MUCH SOUGHT AFTER PEOPLE; DESIGN IS A SPECIALTY, AND MAY BE FITTED TO ANY PROBLEM; COSTUME DESIGN IS AN IMPORTANT SPHERE WHERE GOOD TASTE RULES; CARTOONING IS TAUGHT AND DEMANDS THE DRAWING OF FIGURES IN ACTION.

The silk screen process is one of Art's recent methods of duplicating. Here we see Al Russo holding the frame while Jim Hill drags the squil-gee over the screen. Pat Caldwell and Lois Palmer are ready to criticize if he misses or feed him more stock. Poster production and duplication are only two of a vast number of jobs emanating from the Art Department. All lettered headings in this publication are production of the same source and the work of Jack Nunokawa, Dick Rhodes, Lillian Dworzycki, and Charles Rice.

AUTOMOTIVE

AUTOMOTIVE INSTRUCTION IS DIVIDED AMONG FIVE SHOPS. FIRST, THERE IS THE AUTO UNIT FOR BEGINNERS; SECOND, A SHOP IN AUTOMOTIVE MACHINE WORK; THIRD, A SHOP FOR ENGINE OVERHAUL; FOURTH, ONE FOR TUNE-UP, AND THE FIFTH, A SHOP FOR BODY, FENDER, AND PAINTING. THERE ARE NATURALLY SOME VARIATIONS WITHIN THE FIVE SHOPS. RELATED AUTO SHOP IS TAUGHT IN THE MATHEMATICS AND DRAFTING FIELDS AS AN ACADEMIC SUBJECT.

AS A VOCATION, THE AUTOMOTIVE DEPARTMENT HAS THE LARGEST ENROLLMENT AT C.V.S. THE SHOPS ARE ALL MODERNLY EQUIPPED AND MACHINE LATHE WORK AND WELDING PLAY A BIG PART WITH THESE HANDS AT WORK.

Joe Shutter ran into this scene of apparent confusion in the "Tuneup" shop. This stage is the setting for the final phase in automotive training. The shop adjoins the one set apart for engine overhaul and is always crowded. Troubles with brakes, lights, ignition, cooling, and empty gasoline tanks will bring the vehicle to this location. Yes, the hands at work here get convincingly soiled.

Open House

On Tuesday, November 8th, CVS held its first "Open House". The purpose was to acquaint the students' parents with the daily regime and the public was invited. School was in session from 6:45 P.M. until 10:00 P.M. with all classes in full swing. Approximately 20,000 visitors milled through the spacious corridors viewing exhibits

with amazement and avidly questioning students and teachers. Traffic was smooth and orderly and there were no hats crushed; so we deemed the party a huge success. There will be another soon. The pics below were taken in the Plastics Shop and the Press Room upon this occasion.

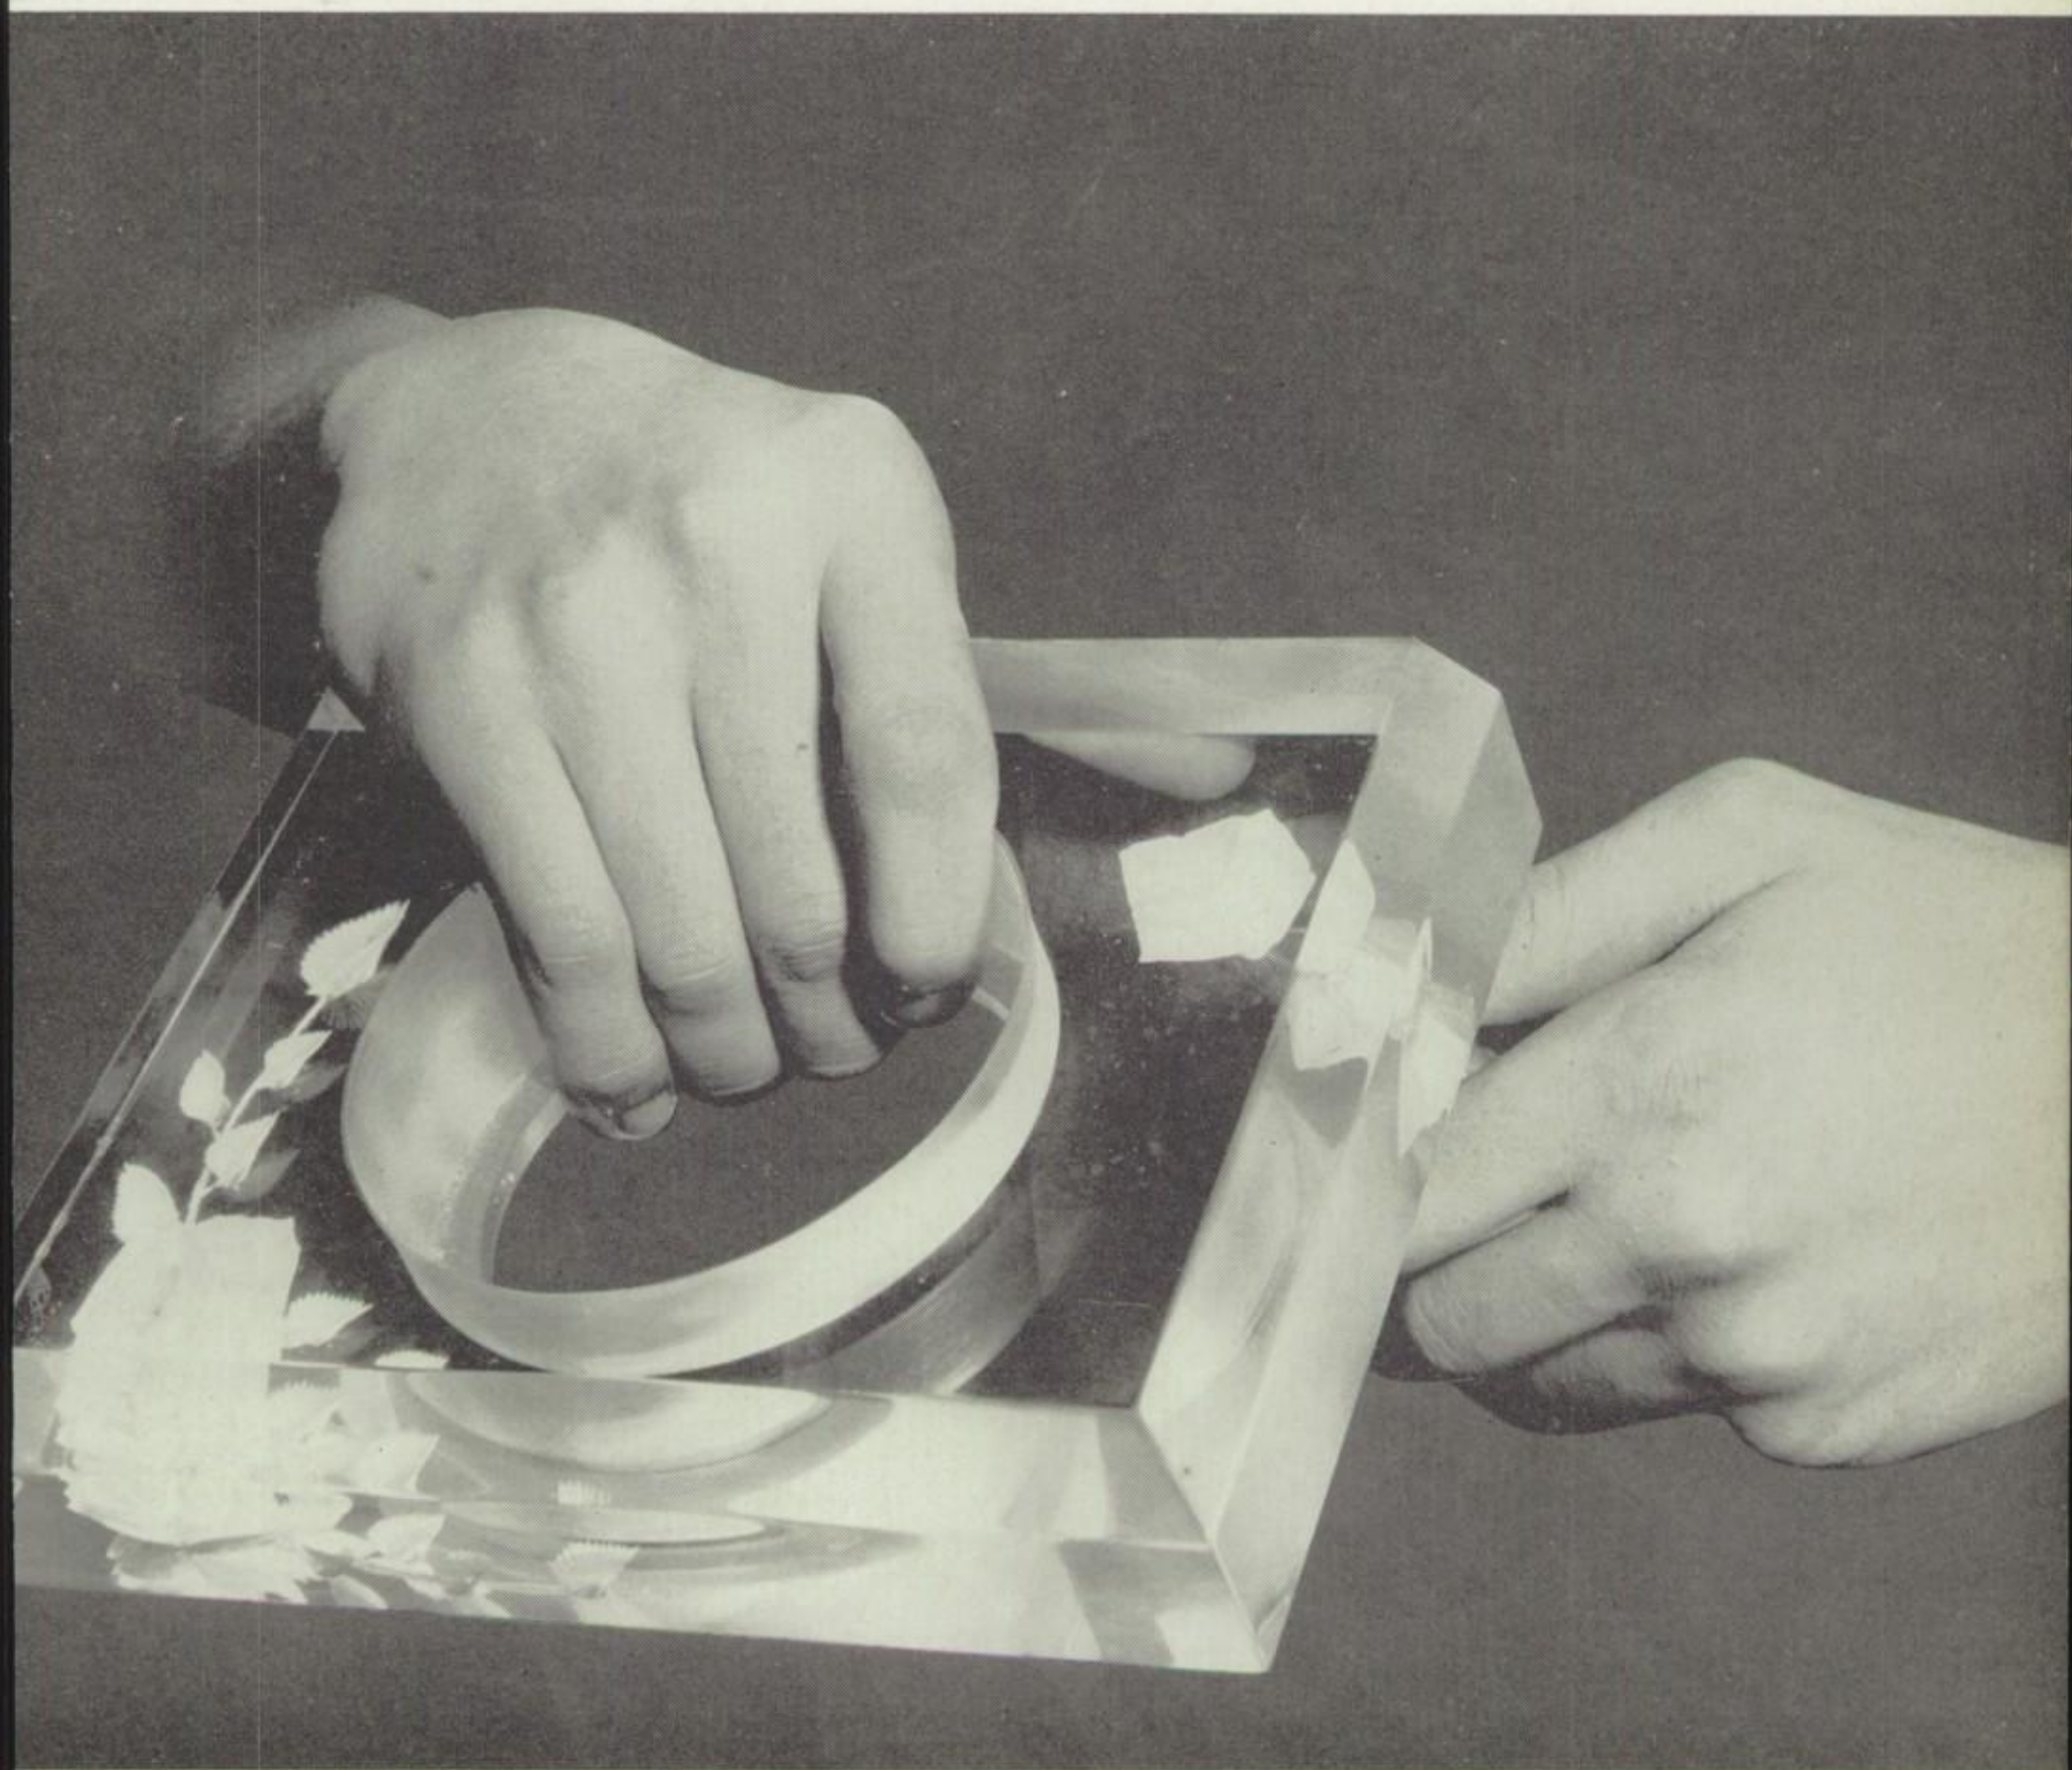

PLASTICS

ALTHOUGH THE PLASTIC INDUSTRY IS A RELATIVELY NEW ONE, IT HAS GONE THROUGH A TREMENDOUS DEVELOPMENTAL STAGE IN RECENT YEARS. PLASTICS AS A SUBJECT IS NOT PRESENTED IN THE FIRST FOUR EXPLORATORY SEMESTERS, ALTHOUGH THERE HAS BEEN TRAINING FOR THE VOCATION AT CVS FOR THE PAST THREE YEARS.

THE GENERAL OBJECTIVES IN THIS DEPARTMENT ARE: TO ACQUAINT THE STUDENT WITH THE PRINCIPAL PLASTICS; TO TEACH HIM THE APPLICATIONS OF PLASTICS IN INDUSTRY AND IN THE HOME; AND TO PROVIDE THE NECESSARY BASIC KNOWLEDGE SO THE STUDENT MAY, THROUGH SUPPLEMENTARY STUDY, ENTER THE ENGINEERING, OPERATING, OR BUSINESS PHASE OF THE PLASTIC INDUSTRY.

SPECIFICALLY, THE STUDENT LEARNS THE PHYSICAL PROPERTIES OF PLASTICS AND THEIR LIMITATIONS; HE IS TRAINED IN THE FUNDAMENTALS OF DESIGN; HE MUST BECOME ACQUAINTED WITH THE EQUIPMENT AND MACHINERY USED IN THE PLASTIC INDUSTRY; AND HE MUST DEVELOP THE HABIT OF ADHERENCE TO SAFETY PRACTICES PROMINENT IN THE INDUSTRY.

Lamp Shades (post forming)

PLASTIC

Urea
Melamine
Phenolic
Melamine
Ethyl cellulose
Polyester

Wasn't this a lot of fun? We are all for Ethyl and Polly!

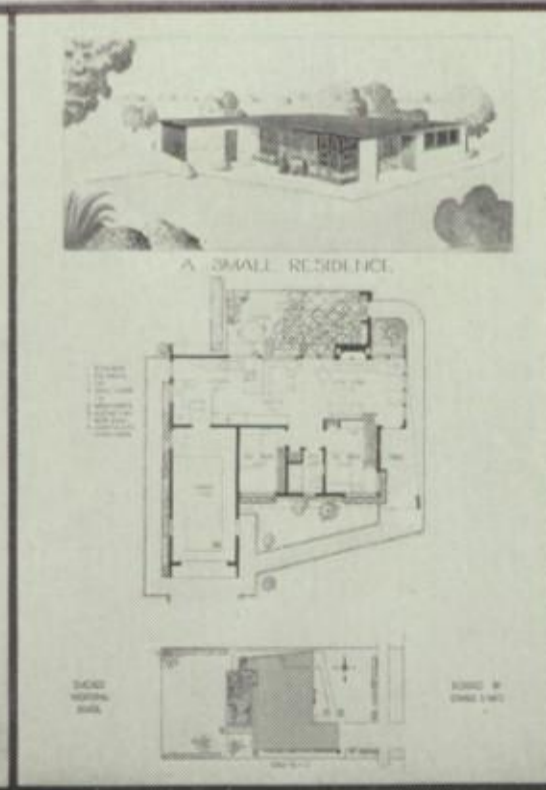

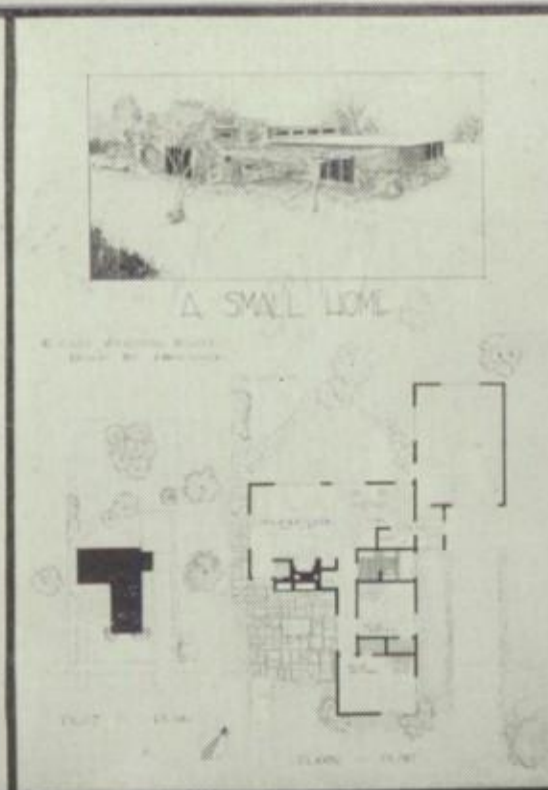

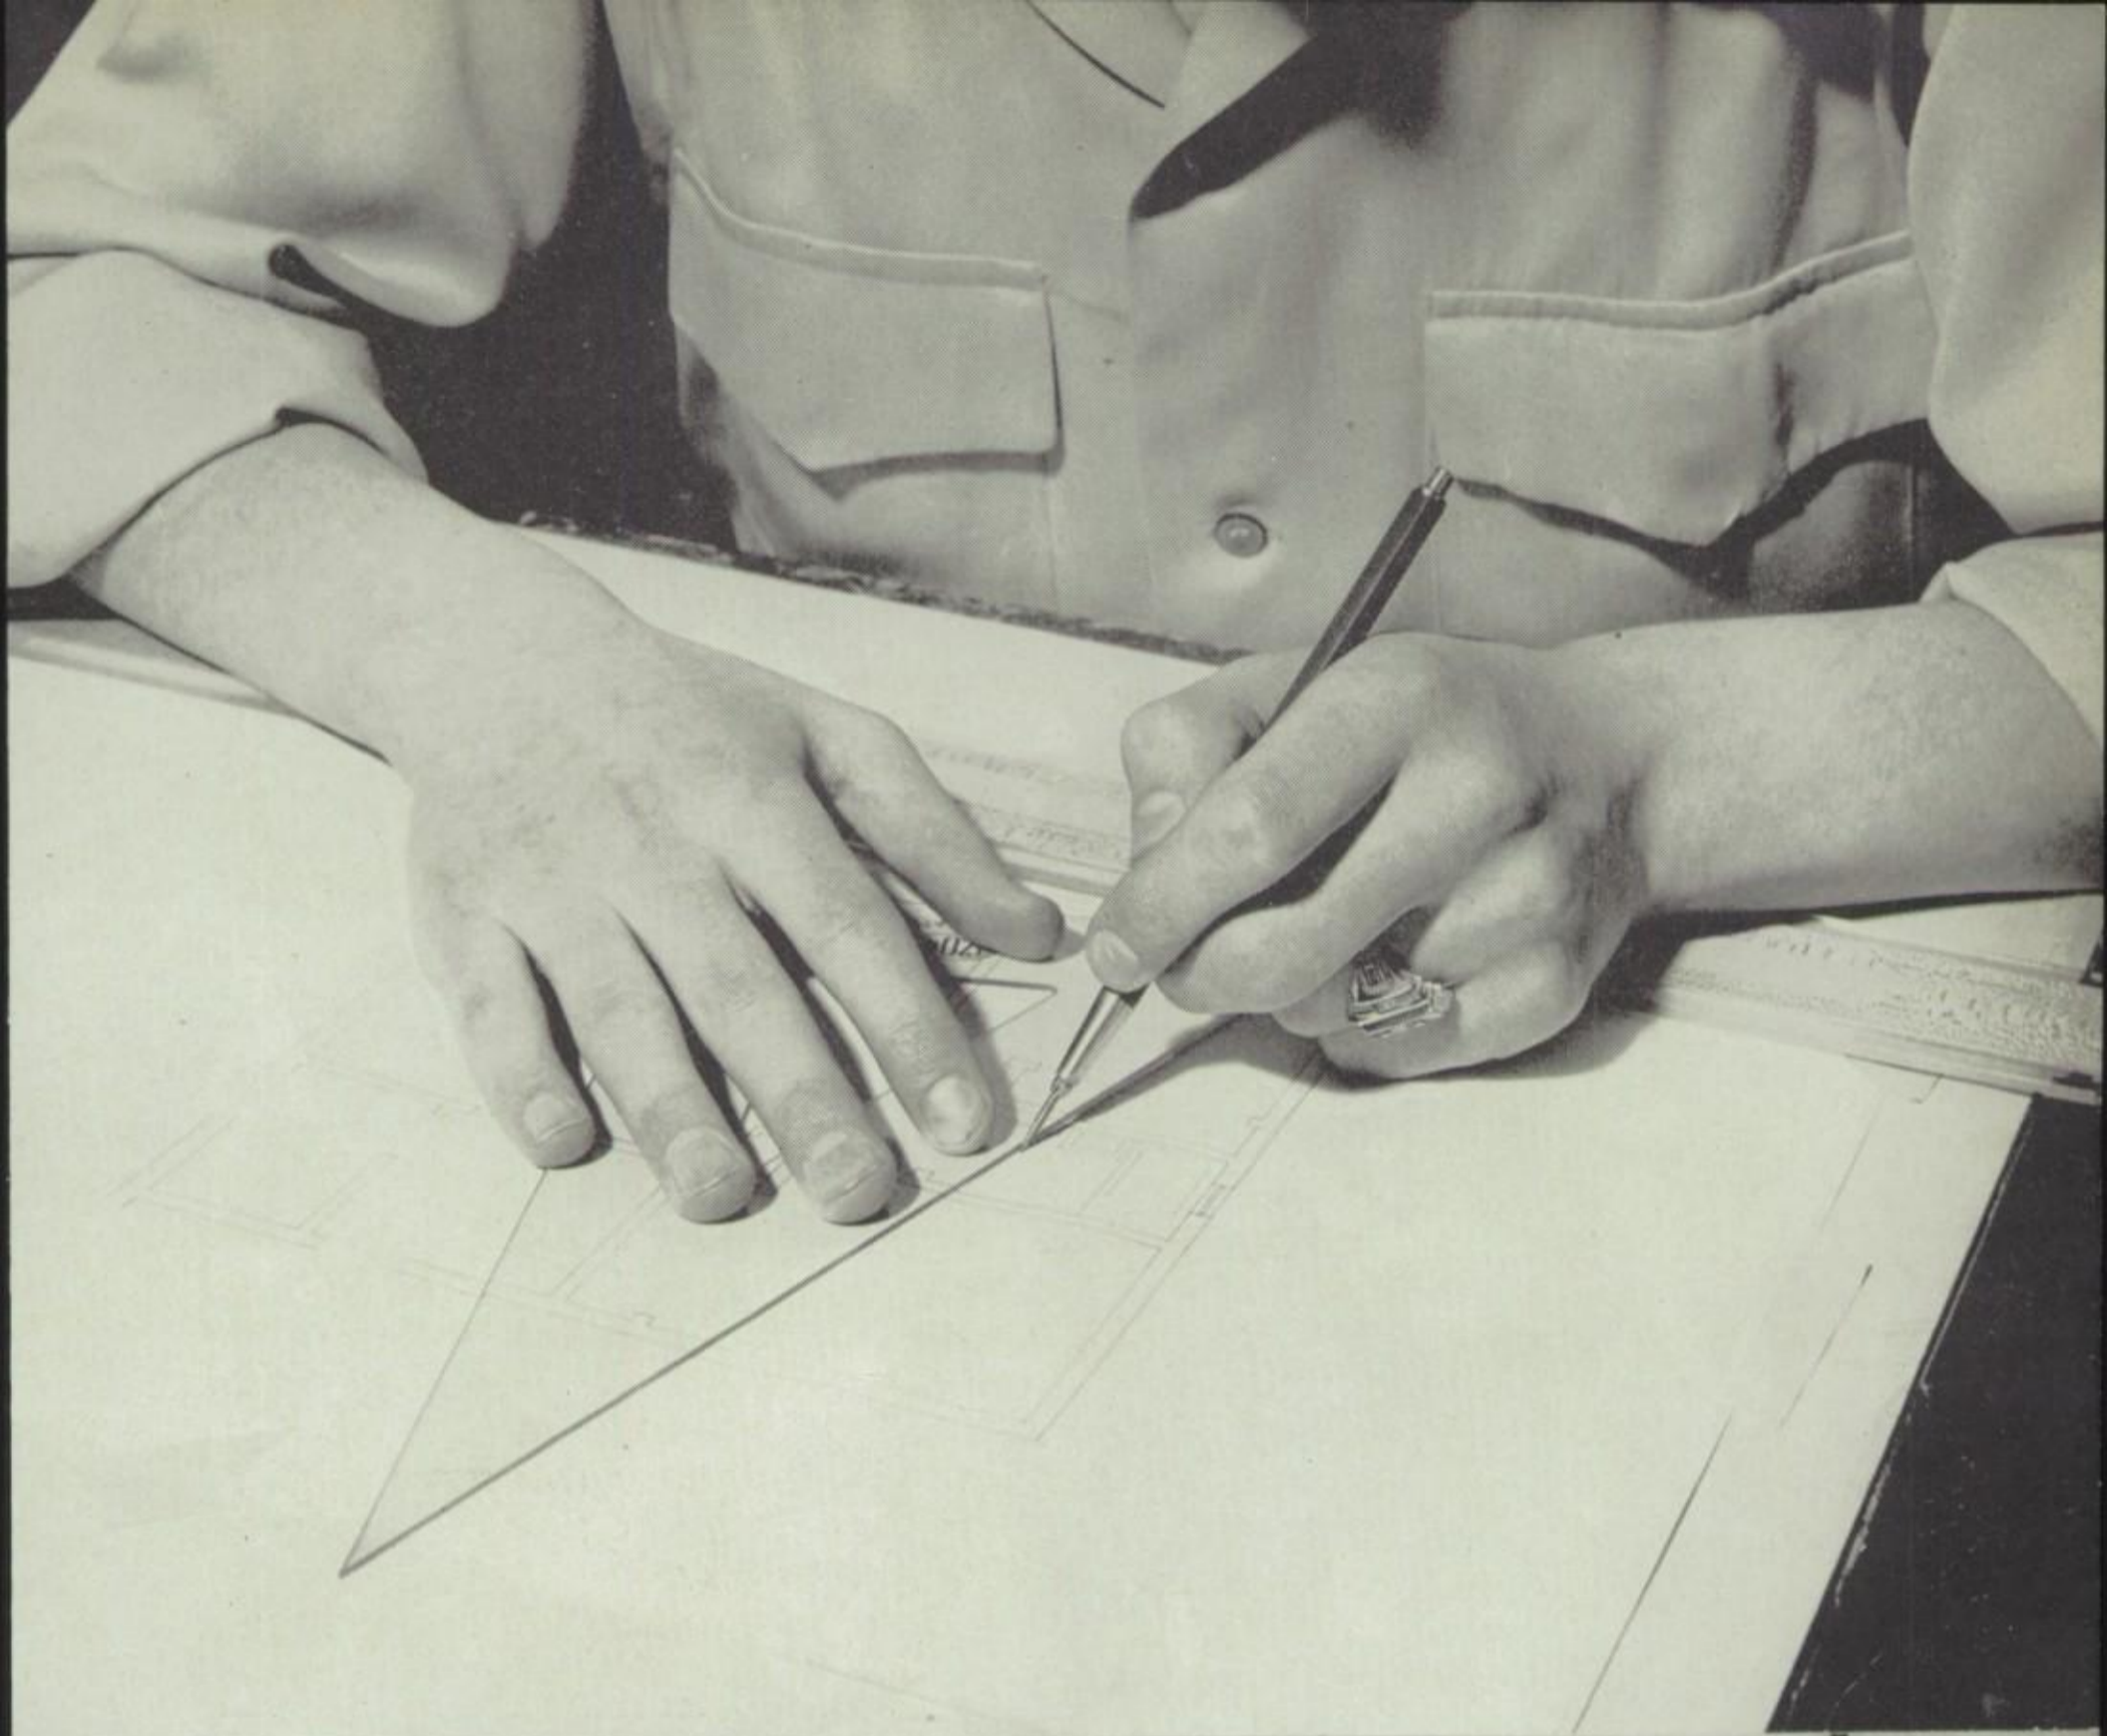

ARCHITECTURAL
AND
MACHINE

DRAFTING

WITH THE PHENOMENAL GROWTH OF TECHNICAL KNOWLEDGE CHARACTERISTIC OF MODERN CIVILIZATION, HAS COME A CORRESPONDING DEVELOPMENT OF THE LANGUAGE OF TECHNICAL DRAWING. ORIGINALLY THE TEACHING OF DRAWING CONSISTED LARGELY IN PROVIDING TRAINING TO DEVELOP MANUAL SKILL. THIS IS NO LONGER SUFFICIENT. IT IS NOW NECESSARY TO TEACH THE PRINCIPLES OF TECHNICAL DRAWING, THE RELATION OF DRAWING TO THE INDUSTRY, AND TO SUPPLEMENT THIS TEACHING WITH EXERCISES INTENDED TO DEVELOP AT LEAST A FAIR DEGREE OF MANUAL SKILL. ALL STUDENTS AT CVS STUDY DRAFTING AS A REQUIRED SUBJECT IN THE FIRST TWO YEARS. HERE THEY ACQUIRE THE FUNDAMENTAL CONCEPTS OF THE GRAPHIC LANGUAGE OF INDUSTRY SO THAT THEY MAY UNDERSTAND THE WRITTEN DIRECTIONS EMBODIED IN A SET OF BLUEPRINTS OR DRAWINGS AS THEY ENCOUNTER THEM LATER IN THE VOCATION THEY MAY SELECT.

FOR THOSE WHOSE MANUAL SKILLS AND ABILITIES INDICATE PROFICIENCY IN DESIGN OF PRODUCTS AND PREPARATION OF DRAWINGS FOR OTHERS TO FOLLOW, A SPECIALIZED VOCATIONAL COURSE IN EITHER MECHANICAL OR ARCHITECTURAL DRAFTING IS OFFERED. IN THESE ADVANCED VOCATIONAL COURSES, EMPHASIS IS PLACED BOTH ON THE MANUAL SKILLS AND TECHNIQUES INVOLVED IN MAKING DRAWINGS FOR OTHERS TO FOLLOW AND THE CREATIVE WORK NECESSARY IN THE DEVELOPMENT OF INDUSTRIAL OR BUILDING PROJECTS.

MANY CVS GRADUATES IN DRAFTING ARE NOW ENROLLED IN OUR UNIVERSITIES; MANY OTHERS HAVE ENTERED THE INDUSTRIAL FIELD OR THAT OF ARCHITECTURE AS JUNIOR DRAFTSMEN.

During 1949 the student draftsmen at CVS entered many completed projects in local exhibits. Much of this work was entered in national competition contests. So many prizes were won by the students at CVS that the Chicago Daily Tribune was inspired to print an amusingly flattering banner under its heading on a two-column article announcing the prizes and the winners. The banner read: "Unless otherwise noted, the prizewinners were from Chicago Vocational School."

Below is pictured a model house designed and fabricated in the classroom. Prizes have been won in rendering, design, and all types of drawing.

Al. Winkelman*

The Architectural Club sponsored by Messrs. Koerner, Peterson, and Sharkey thought up a novel party and gave a "Sock Hop" in the big gym this year. All shoes were checked at the door and lined up against the wall which caused no confusion until time to go home. Would you like to be in her shoes? The varieties of sox were startling and an exceedingly fine time was had by all. The Chicago Sunday Tribune devoted a full page to the affair so it must have been a wow. More power to you, Architects!

ARCHITECTURAL CLUB

Staal, Boch, Orshonsky, Markacek, Mattull, Mikota, Schumacher, Bell, Schell, Leech, Krause, Gibbs, Favre, Becker, Peterson, Deutley, Borst, Iseminger, Bartels, Benak, Ristich, Omiccinski, Jarard, Stoffle, Klunder, Hubek, Isaac, Vlrich, Escarraz, Ross, Convey, Waldenfels, Cabas, Barker, Dvesing, Tenorio, Cody, Main, Balanow, Mackel, Homan, Rogers, Molitsky, Paul, Orris, Bauer, Donahue, Halwix, Tavitas.

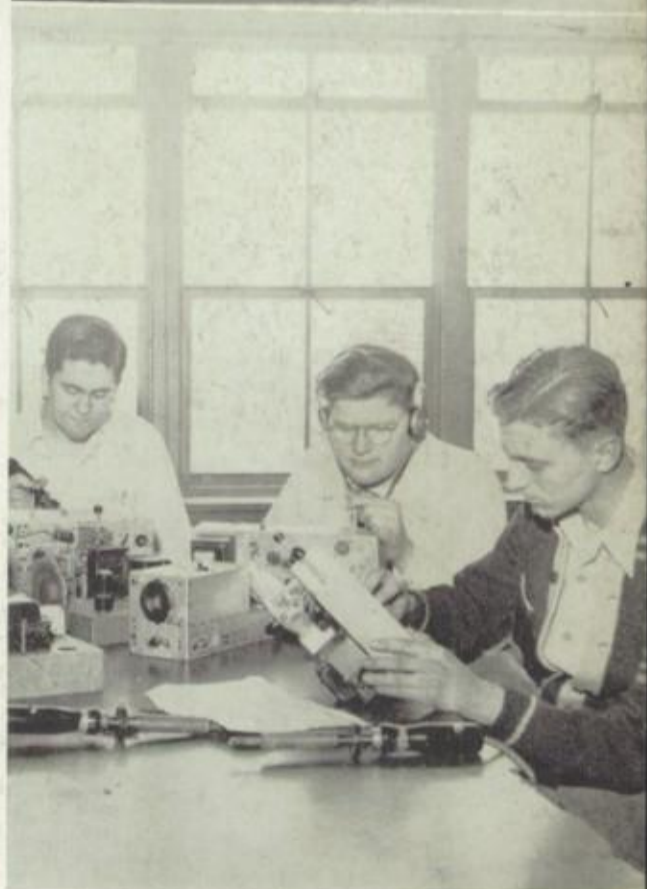

ELECTRICITY

THE ELECTRICAL WORKERS ARE DIVIDED INTO TWO GROUPS, NAMELY ELECTRICITY AND ELECTRONICS. THERE ARE FOUR ELECTRIC SHOPS AND ONE LABORATORY FOR RELATED WORK. THE SCOPE OF WORK INCLUDES ELEMENTARY CIRCUITS, D.C. MACHINES, A.C. MACHINES, AND METERS. A GREAT DEAL OF EXPERIMENTAL WORK IS DONE, AND MOTOR AND APPLIANCE REPAIR IS INCLUDED. THE ADVANCED STUDENTS SPECIALIZE IN THE APPLICATION OF D.C. AND A.C. MACHINES. ELEMENTARY EXPLORATORY WORK IS PRESENTED IN THE FIRST FOUR SEMESTERS.

TWO SHOPS AND A LABORATORY HANDLE THE SETUP IN ELECTRONICS. THE DEPARTMENT AIMS TO TRAIN BOYS TO ASSEMBLE AND SERVICE MOST TYPES OF ELECTRONIC GEAR. EARLY SEMESTERS ARE SPENT IN ASSEMBLING RADIOS AND AMPLIFIERS AND MAKING THEM WORK SATISFACTORILY. RELATED WORK COVERS FUNDAMENTALS AND BASIC THEORY. LATER SEMESTERS PRESENT EXPERIENCE IN TROUBLE SHOOTING AND REPAIR AND THE OPERATION OF A SERVICE SHOP. HERE THE RELATED WORK INCLUDES SERVICING TECHNIQUES AND ADVERTISING THEORY ON T. V. AND INDUSTRIAL ELECTRONICS. A NEW EXPANSION INCLUDES AMATEUR RADIO WITH A TRANSMITTER SET UP IN 2006A.

THE CVS STAGE OFFERS AN EXCELLENT LABORATORY FOR PRACTICAL WORK IN ELECTRONICS AS WELL AS POWER AND LIGHTING.

"Hank" Ybarra

Gwynne is quite a popular character at CVS. Periodically his "Magic Show" makes its appearance upon the stage and it is always patronized with acrotism. The show is always profes-

sionally colorful and the master prestidigitator keeps mouths agape with his unbelievable feats. Gwynne usually runs a show each semester and packs the house for two performances.

Two hands

GRAPHIC ARTS

THE GRAPHIC ARTS AT CVS INCLUDE HAND COMPOSITION, LINOTYPE, JOB PRINTING, TYPOGRAPHIC DESIGN, JOURNALISM, AND PUBLICATIONS. SHOP SPACE AMOUNTS TO ONE PRESS ROOM, ONE LINOTYPE ROOM, TWO HAND COMPOSITION SHOPS, TWO ART AND DESIGN ROOMS, TWO PUBLICATIONS OFFICES, AND TWO CLASSROOMS FOR RELATED PRINTERS' MATHEMATICS AND PRINTERS' ENGLISH.

ELEMENTARY HAND COMPOSITION AND TYPOGRAPHIC DESIGN ARE OFFERED IN THE FOUR SEMESTER EXPLORATORY PERIOD AND THOSE WHO CHOOSE GRAPHIC ARTS AS A VOCATION ENTER THE PRINTING MAJOR IN THE THIRD YEAR. THE STUDENT MAY SPECIALIZE IN THE PRESS ROOM OR IN LINOTYPE, BUT HIS REQUIRED RELATED SUBJECTS ARE TYPOGRAPHIC DESIGN, SEVEN SEMESTERS OF ENGLISH AND ONE IN PRINTERS' MATH.

MANY ROUTINE JOBS ROLL OFF THE PRESSES DAILY AND THE SCHOOL'S TWO PUBLICATIONS OFFER A RICH PASTURE FOR JOURNALISM AND DESIGN. THE TRADEMASTER IS A SIX PAGE PERIODICAL PUBLISHED TWICE EACH MONTH AND EXCEPT FOR THE ENGRAVING IT IS PRODUCED IN THE BUILDING. THE TECHNICIAN IS PUBLISHED OUTSIDE THE BUILDING AS THE PRESENT EQUIPMENT DOES NOT PERMIT ITS BEING HANDLED. BOTH PUBLICATION STAFFS ARE CHOSEN LARGELY FROM THE GRAPHIC ARTS DEPARTMENT.

JOB WORK INCLUDES LETTER HEADS, OFFICE STATIONERY, FORMS, TICKETS, POSTERS, VISUAL AIDS TO EDUCATION, PAMPHLETS, AND HANDBOOKS FOR NOT ONLY CVS, BUT THE BOARD OF EDUCATION IN GENERAL. ALL DESIGN AND JOB WORK INCLUDING THE READING OF PROOF IS DONE BY THE STUDENTS OF THE DEPARTMENT. FUTURE PLANS SHOW A MUCH ENLARGED SETUP WITH A CYLINDER PRESS AND A MORE CENTRALIZED LOCATION.

Trademaster Staff

The Trademaster, our school paper has a paid circulation of 3,000 copies and is eagerly awaited by the student body every three weeks. It is linotyped and printed here at CVS and the staff is constantly trying out new ideas in columns, layout, and color pages.

Graduation will cut quite a swath in the staff for it means the loss of Pete Yangas, Editor-in-chief; Babs Wasielewski, Rita Czarny, Sylvia Skiba, Irene Biedakiewicz and Angie Sparaga, page editors; Warren Perry,

sport's editor; and Walter Ugorski, columnist. The only chairs to be filled in September will be those of Billy Bright and Richard Sprouse photographers and Betty Wolf, feature writer.

Championship headlines and special spreads appear in the Trademaster the morning following sports contests, just as they do in the big dailies, which means great interest and excellent teamwork between the writers and printers.

Standing: George Chevalier, Billy Bright, Warren Perry, Walter Ugorski, Loretta Pawlicki.
Anne Marie Bohni, Betty Wolf, Helen Arcuri, Irene Biedakiewicz.
Barbara Wasielewski, Rita Czarny, Angeline Sparaga, Sylvia Skiba, Peter Yangas.

OFFICE TRAINING

Stenography • Calculating

DURING THE INITIAL FOUR EXPLORATORY SEMESTERS, THE STUDENTS STUDY ELEMENTARY BUSINESS TRAINING. IT IS AT THE FIFTH SEMESTER THAT THE STUDENT DECIDES UPON THE VOCATION IN WHICH HE OR SHE MAY BE TRAINED. THE VOCATIONS INCLUDE STENOGRAPHY, CALCULATING MACHINES, CLINICAL CLERKS, AND OFFICE PRACTICE. THE PLANT AFFORDS TWO TYPING ROOMS, ONE GENERAL OFFICE WITH TWO SMALLER OFFICE SUITES, AND SEVERAL CLASSROOMS. THE EQUIPMENT IS OF THE LATEST INCLUDING ELECTRIC TYPEWRITERS, CALCULATING MACHINES, AND ADDRESSOGRAPHS.

THE CLINICAL CLERKS ARE TRAINED IN LABORATORY WORK AS ASSISTANTS IN DENTAL AND MEDICAL OFFICES. THE STENOGRAPHERS ARE TRAINED IN PITMAN SHORTHAND AND TYPISTS WORK FROM DICTAPHONE RECORDS. OFFICE PRACTICE MAY INCLUDE THE WORK OF BOTH OF THESE FIELDS, BUT PERSONALITY DEVELOPMENT LOOMS AS THE BIG PROBLEM IN SPITE OF THESE TRAINED HANDS AT WORK.

IN OFFICE PRACTICE IT IS THE AIM TO SIMULATE JOB CONDITIONS FROM THE POINT OF SIGNING THE TIME SHEET TO THE RECEIPT OF THE PAY CHECK. WORK OBJECTIVES ARE SET UP AT THE OUTSET AND COMPLETED WORK IS GRADED ON ITS PRODUCTION VALUE. PERSONALITY TRAITS OF INDIVIDUALS CONCERNED PLAY A STRONG FACTOR. THE JOB ASSIGNMENTS IN THE ADVANCED COURSE ARE DIVIDED AMONG EIGHT CATEGORIES. ADDING AND LISTING; BILLING (FLAT-BED, FAN-FOLD, TYPEWRITER); ROTARY CALCULATING (MONROE MA-7, MONROE 160X, FRIDEN, MARCHANT); DICTAPHONE; DUPLICATING (ADDRESSOGRAPH, DITTO, MIMEOGRAPH, MULTIGRAPH); FILING; MACHINE POSTING (BURROUGHS, MONROE, UNDERWOOD SUNDSTRAND, UNDERWOOD STANDARD); ADMINISTRATIVE (OFFICE MANAGER, OFFICE SECRETARY, PAYROLL MANAGER, PRODUCTION MANAGER).

A CONSTANT STREAM OF MATERIALS ROLLS FROM THE DUPLICATING MACHINES OF THE OFFICE PRACTICE DEPARTMENT DAILY. THE WEEKLY SCHOOL BULLETIN, SPECIAL DAILY BULLETINS, DEPARTMENTAL AND CLASSROOM TESTS ARE ONLY A PART OF THE PRACTICAL PRODUCTION. DISTRIBUTION OF THE TRADEMASTER AND THE HANDLING OF ITS FINANCIAL BUSINESS IS ALSO A CHORE OF THE DEPARTMENT.

In paying homage to student winners of national awards, CVS has been host to many local notables. The awards were presented to the students on the auditorium stage at a special assembly. The teachers who led them to victory were honored with a tea in the library. On the stage we see

Herold C. Hunt, Superintendent of Schools, presenting Royal Kirchner with an award of merit. In the library chow line, we find Hobart H. Sommers, Assistant Superintendent in charge of Vocational Education; he is in between Dr. Ewing and Ken Peterson.

HORTICULTURE

THE MOST RECENT ADDITION TO THE VOCATIONAL CURRICULUM HAS BEEN THE COURSE IN HORTICULTURE. HERE THE STUDENTS' HANDS ARE AT WORK IN THE SOIL, AND PERENNIALS, ANNUALS, AND FLOWERING SHRUBS FILL THE MENU. A NEW GREEN HOUSE IS TO BE ERECTED ON THE ROOF OF SHOP 1116 AND THE CLASSES MEET IN A ROOM ADJACENT TO THE RIFLE RANGE. PERHAPS THE GREATEST FIELD FOR PRACTICE WILL BE ON THE FOURTEEN ACRES OF LAWN SURROUNDING THE PALACE; LANDSCAPING IS A MAJOR FACTOR IN HORTICULTURE AND WE CERTAINLY NEED SOME.

ROBERT BLAIN
Horticulture

PAT BYRON—*Horticulture*—Guide Service; Hall Guard; Rollers; Student Council; Trade-master; Leaders.

GEORGE BOEHM—*Horticulture*.

Graduating Class of January 1951

The spring weather this year has been such that Coach Pekelsma has been training his baseball squad on water skis; he has successfully drafted Professor Blain's "cohort-iculturists" in a project to manicure our new baseball plot. Inasmuch as it, too, is afloat, our landscapers are contemplating an amphibious attack. On the right we see Bob Olson with the barrow; Jack Harbison, Bob Quinn, and Ron Vila have the "tools of intellect" and a tree rises under the able direction of Robert Blain.

With the advent of the luscious spring of 1950, all horticultural activity was confined to the halls of the Palace. Willie Shutter considered the group of pots fertile field for photography in spite of their capsized condition. You count 'em; the horti boys will fill 'em.

M E T A L

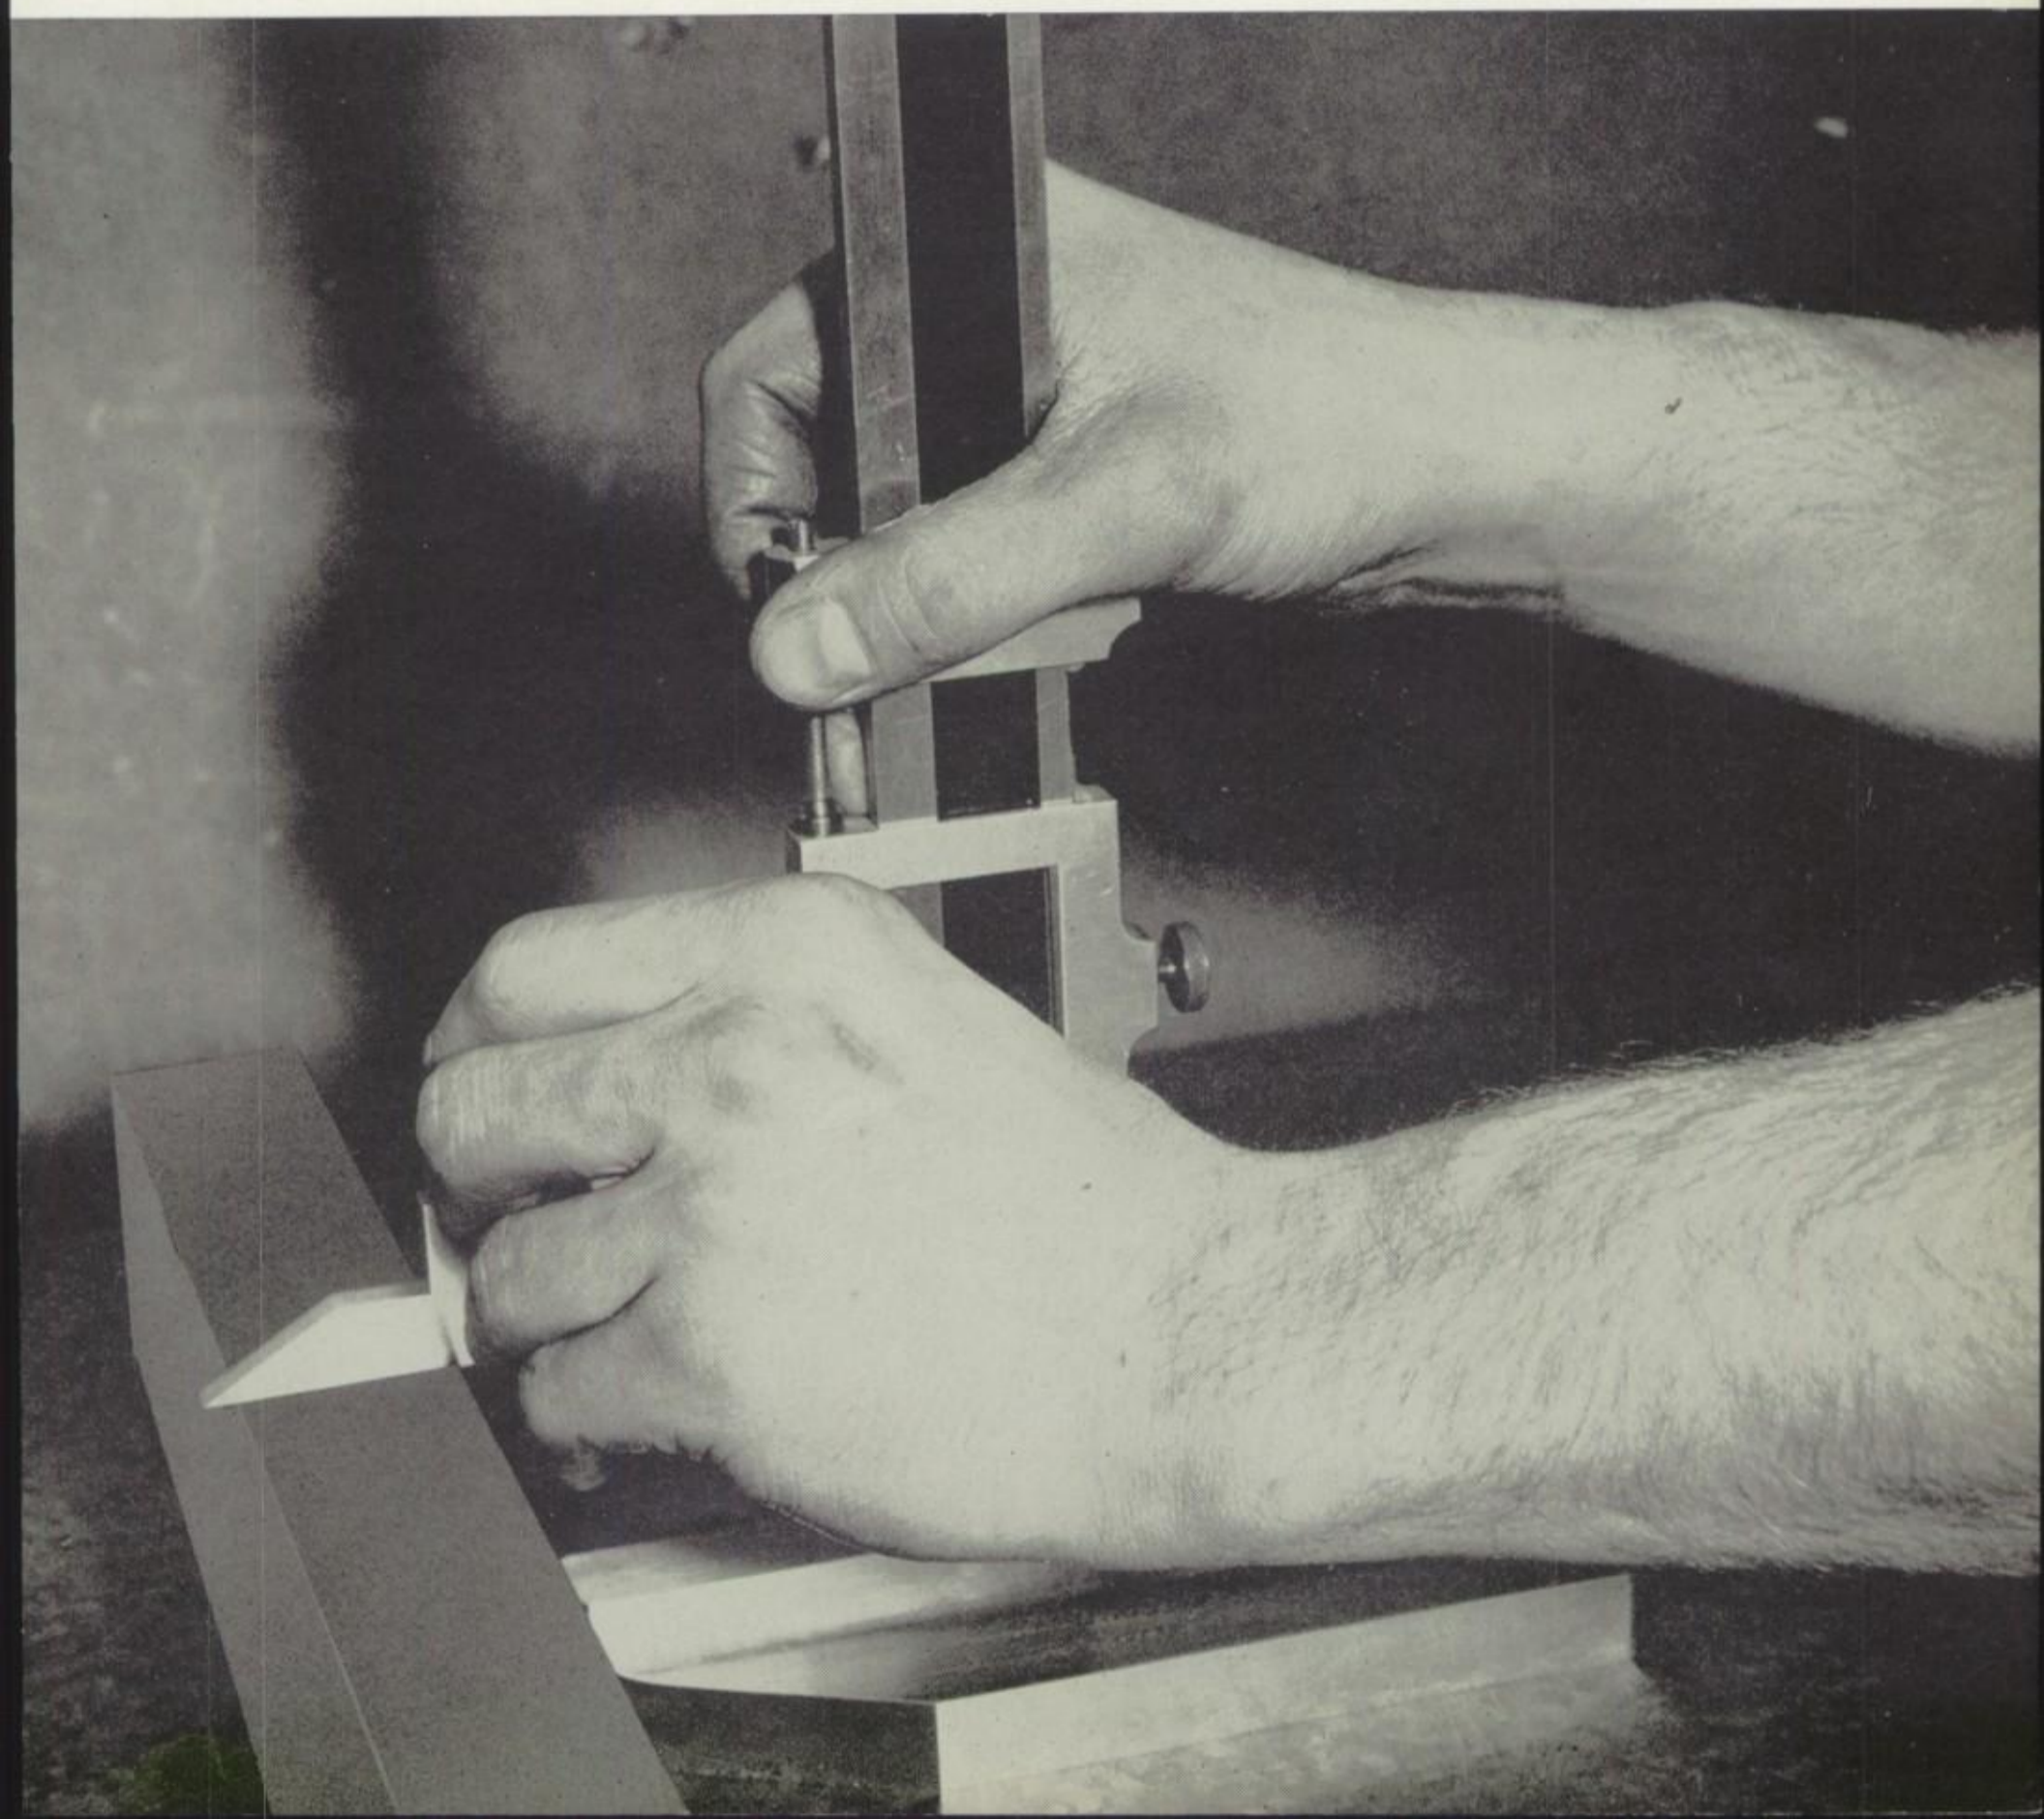

THERE ARE THREE MAIN DIVISIONS OF METAL WORKING AS A VOCATIONAL FIELD, NAMELY, GENERAL MACHINE SHOP, ARC AND OXY-ACETYLENE WELDING, AND SHEET METAL WORK. THE PALACE PROVIDES FIVE MACHINE SHOPS, TWO WELDING SHOPS, AND TWO SHEET METAL SHOPS ALL MODERNLY EQUIPPED. ALL THREE SHOPS ARE PRESENTED IN THE FIRST FOUR EXPLORATORY SEMESTERS.

THE GENERAL OBJECTIVES IN METAL WORKING ENCOMPASS PRESENTATION OF THE NUMEROUS INTERESTING AND USEFUL FACTS ABOUT MODERN INDUSTRIAL ORGANIZATION METHODS, MACHINES, AND MATERIALS; TEACHING THE FUNDAMENTAL PRINCIPLES OF OPERATION AS APPLIED TO MODERN SHOP METHODS AND THE NECESSARY HAND SKILLS FOR SUCCESSFUL ENTRANCE INTO INDUSTRY AS AN APPRENTICE; TEACHING THOSE HABITS WHICH DEVELOP AN APPRECIATION OF QUALITY AND GOOD WORKMANSHIP; AND EQUIPPING THE STUDENT MORE ADEQUATELY FOR HIS PART IN COMMUNITY WELFARE AS A SKILLED WORKMAN AND A GOOD CITIZEN.

SPECIFICALLY, THE AIMS ARE; TO GIVE INSTRUCTION AND PRACTICE IN THE USE OF COMMON HAND TOOLS AND MACHINE METAL WORKING TOOLS; TO PROVIDE THE ATMOSPHERE OF MACHINE SHOP WORK; TO DEVELOP AN APPRECIATION OF HIGH DEGREE ACCURACY AS REQUIRED IN MACHINE SHOP PRACTICE; AND TO INSTILL A FEELING OF RESPONSIBILITY TOWARD OTHERS WHILE TRAINING THE STUDENT IN HABITS OF HYGIENE AND SAFETY.

VENTILATING SYSTEMS, AUTOMOBILES, CORNICE AND SKYLIGHTS, ADVERTISING SIGNS, BENCHES AND LOCKERS, NAME ONLY A FEW OF THE RAMIFICATIONS OF THE VAST SHEET METAL INDUSTRY. BOTH GAS AND ARC WELDING DOVETAIL INTO ALL OF THE METAL WORKING INDUSTRY AND THERE IS QUITE NATURALLY AN OVERLAP INTO BOTH THE AUTOMOTIVE AND THE AERONAUTICS DEPARTMENTS.

Scholastic Awards

At a special Awards Assembly the group upon the auditorium stage was composed of the student prizewinners, their vocational teachers, and several guests. The speed lathe, circular saw, and jig saw in the foreground were among the many awards. At the top we see Superintendent Hunt

addressing the group. In the center Bill Brown presents Hank Vis with an award, and below John Wantuch gives Janczak a prize. We fancy you can find Messrs. Kiehn, Young, Peacock, Sommers, Ewing, and Koerner with little effort. Why there's Bill Just too!

RETAIL

SALES

RETAIL SALES STUDENTS, AMERICA'S FUTURE MERCHANDISERS, LEARN BUSINESS OPERATIONS BY COORDINATING CLASS ROOM WORK WITH ACTUAL JOB EXPERIENCES.

SENIOR STUDENTS WORK A MINIMUM OF FIFTEEN HOURS PER WEEK IN APPROVED TRAINING STATIONS AT CURRENT WAGES AND PROGRAMS ARE ARRANGED TO PERMIT THEM TO START WORK AS EARLY AS 1 P.M.

JUNIOR STUDENTS, ALTHOUGH PROGRAMMED UNTIL 3 P.M. STILL FIND TIME TO SANDWICH IN WORK EXPERIENCE. APPROXIMATELY 70% OF THE JUNIORS ARE EMPLOYED.

THE EMPLOYMENT ROSTER INCLUDES MARSHALL FIELD, WIEBOLDTS, THE FAIR STORE, GOLDBLATTS, WALGREENS, KRESGES, WOOLWORTH, NEISNERS, GRANTS, A. & P., NATIONAL, AND MANY OTHER NATIONAL AND LOCAL CORPORATIONS.

MR. BULFIN, TEACHER COORDINATOR OF THE PROGRAM, MAKES REGULAR VISITS TO THE TRAINING STATIONS TO GET PROGRESS REPORTS ON STUDENT WORKERS. HE ALSO CALLS ON BUSINESS EXECUTIVES AND PERSONNEL MANAGERS TO PUBLICISE THE PROGRAM AND ENLIST JOBS. IN THE CLASS ROOM THE STUDENTS OPERATE THEIR OWN STORE UNDER A JUNIOR ACHIEVEMENT ORGANIZATION. HERE THE STUDENT STOCK-HOLDERS OF THEIR OWN COMPANY APPLY CLASS ROOM THEORY AND WORK EXPERIENCE TO THE SUCCESSFUL OPERATION OF THEIR OWN BUSINESS.

ALL PHASES OF BUSINESS ACTIVITY INCLUDING ADVERTISING, PRICING, STOCK ROOM PROCEDURE, AND SALESMANSHIP ARE UTILIZED.

W O O D

THERE ARE HANDS AT WORK IN SIX WOOD SHOPS AT CVS. GENERAL WOOD WORKING IS PRESENTED TO EVERY STUDENT DURING ONE OF THE FIRST FOUR EXPLORATORY SEMESTERS. THREE SHOPS OFFER GENERAL WOOD WORKING AND ARE EQUIPPED WITH THE LATEST OF MODERN MACHINE AS WELL AS HAND TOOLS. SMITH-HUGHES SPECIALIST COURSES ARE PRESENTED IN CABINET MAKING AND PATTERN MAKING. THERE ARE TWO CABINET SHOPS AND ONE WOOD PATTERN SHOP. ONE SHOP TRAINS IN HOBBY WORK AND SOME EXTREMELY ATTRACTIVE PROJECTS IN CARVING ARE PRODUCED.

IN A NATIONAL COMPETITION SPONSORED BY MANUFACTURERS AND ADMINISTERED BY THE SCHOLASTIC PUBLICATIONS THE WOOD WORKERS WON MANY AWARDS IN WOOD CARVING, CABINET MAKING, AND PATTERN MAKING. THE FORD MOTOR COMPANY IS SPONSORING ANOTHER NATIONAL COMPETITION IN WHICH OUR STUDENTS EXPECT TO ROMP OFF WITH SOME PRIZES.

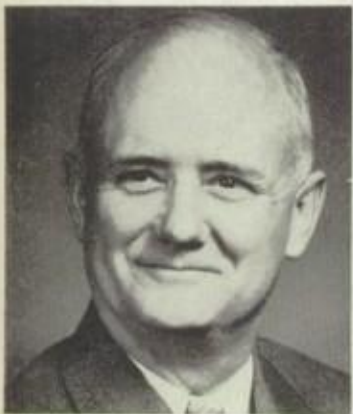

IN THE FIELD OF CABINET WORK, A GREAT DEAL OF ATTENTION IS PAID TO PERIOD FURNITURE AND DESIGN. FINISHING IS NATURALLY INCLUDED IN THE SCOPE OF WORK. THE PATTERN MAKERS ARE TRAINED IN BASIC FOUNDRY WORK ALTHOUGH WE DO NOT HAVE AN OPERATING FOUNDRY AT THE PRESENT TIME.

Library Aids

In the colorful, inviting atmosphere of the school library CVS students take advantage of the opportunity to expand their mental horizons. They are offered access to books which increase their vocational proficiency, arouse intellectual curiosity and stimulate the imagination. There is a wide selection of books designed to meet student needs and interests. Countless magazines keep students informed on the world today, and provide much valuable trade and technical information.

STEPHANIE T. GORUN
Assistant Librarian

Lunch Room

RUTH FORD
Manager

This pic which catches a group in the cafeteria is probably the only evidence we'll ever have of Mr. Bulfin's standing in line to buy merchandise at retail prices; can you find him in the steam? Thora Me Linder is ready to dish out the "hot stuff" and Stella represents the "Staff" with a wide grin. The lunch room is still feeding a thousand at a period, three periods per day with mighty fine chow. The Evening School picks up its snack here daily at 6:00 P.M. It is unfortunate we cannot reproduce the colorful "salads on ice" display in Kodachrome.

Mrs. Ford and her conscientious cohorts are certainly to be congratulated on their smooth handling of our constantly growing population. We appreciate the convenience of the seven-thirty breakfast too!

LUNCH ROOM ATTENDANTS

Maddox; Klohnar; Bulhuis; Hansen; Wiersma; Fuller; Diercouff; Patterson; Barrett; Katz; Weeks; Salatino; Mrs. Hermanson; Fox; Persson; Smith.

ERIC B. ERICCCSON—Chief Engineer

Maintenance

There is talk about a school day of measured duration, but little mention of the "hands at work" who operate on a twenty-four hour basis. Six and five tenths of our twenty-two acre tract is building space three stories high and this space must be heated, ventilated, and kept clean. There are 76,000 square feet of corridor space to be swept daily and scrubbed frequently. More than two-tenths of the acreage is sidewalks and drives; there are fifteen main entrances and sixty-four outside doors: when it snows, here is a problem. A man with a lawn mower faces fourteen acres of lawn.

The force handling these odd jobs operate under Chief Engineer Ericcson and include four assistant engineers, four firemen, two machinists, two car-

penters, one electrician, one receiving clerk, one tool clerk, and thirty janitors. In the dead of winter the classrooms are heated to a mildly moderate temperature (the coal strike notwithstanding) and we bask in a briskness which keeps us all on the "qui vivre."

Getting away from all levity, there probably isn't a school building in the country that can boast as much whole hearted cooperation and good fun between the maintenance and training forces as can be seen daily at CVS: Space does not permit our showing you all the good guys whose "hands" work out these ideas. Below we see some of our boys who light 'em off and keep 'em boiling.

Trombley, Millard, Massey, Lindskog, Callaghan, Hulkowich, Hokanson, Moreno, Jordan, Hokanson, Jordan, Uza, Riley, Thiele, White, Fierro, Wheeler, Johnson, Eauslin, VanderPoll, Austin.

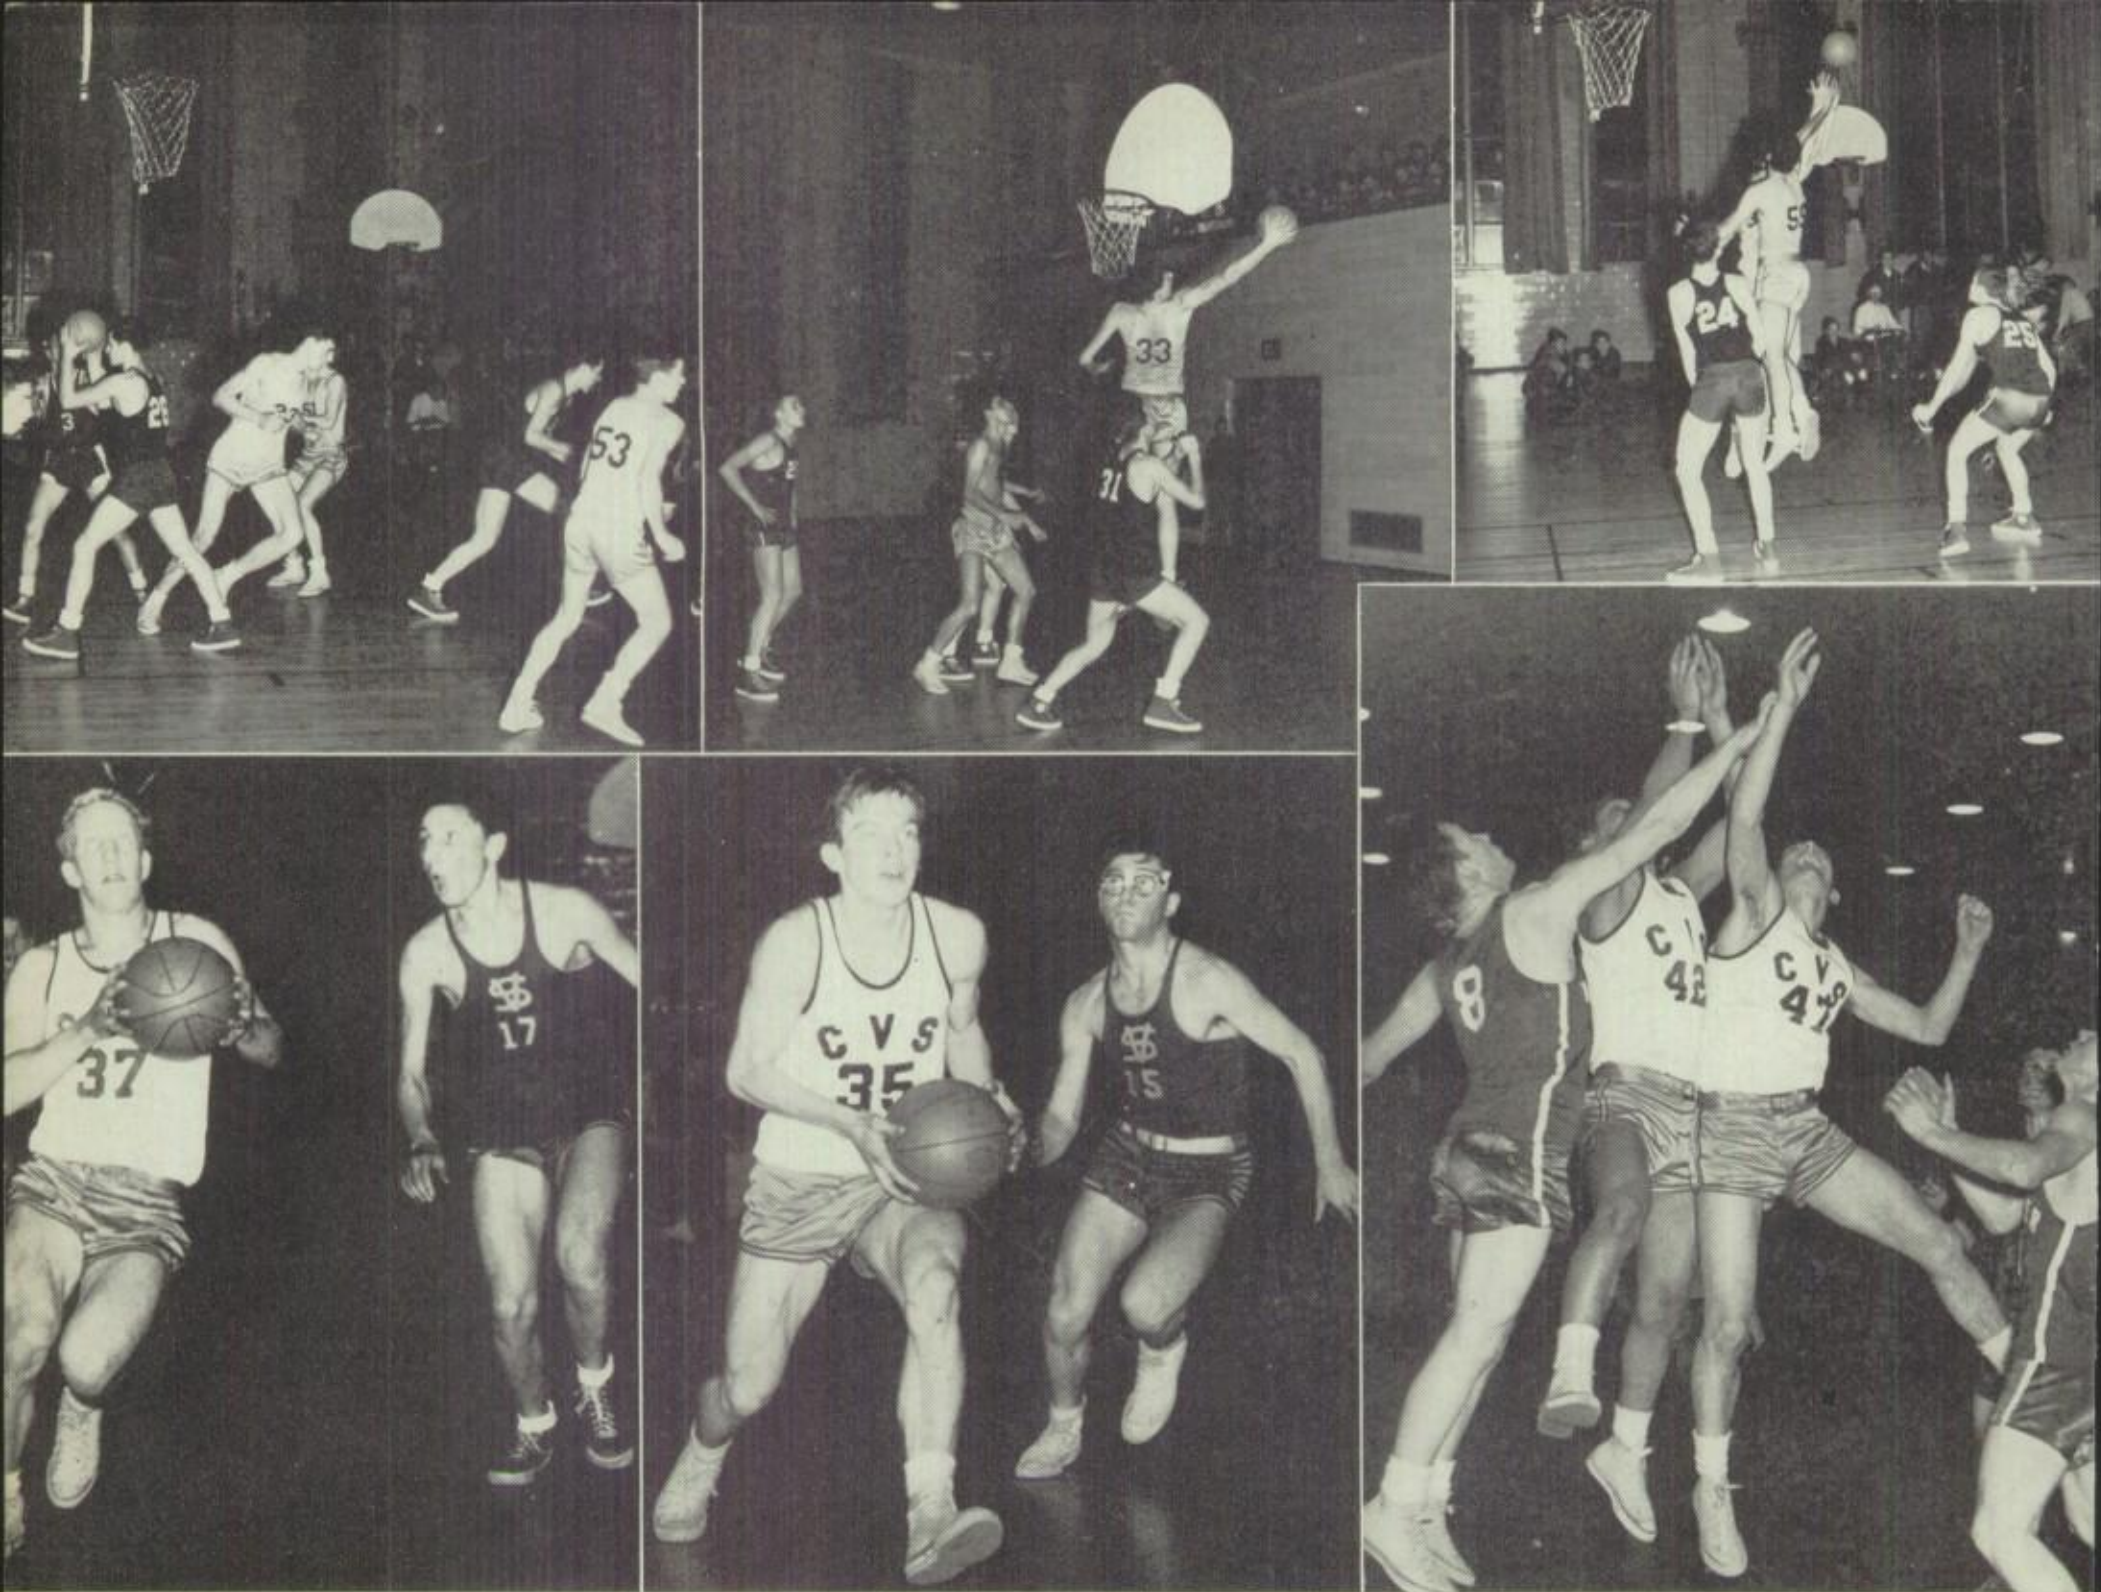

The Big Day

A crowd of freshmen on the first day of school struggle to see who can express his new-found freedom most boisterously.

Contrasted with this, the restraint of four years of high school has made earnest men and women of the graduates.

Basketball

Basketball has become a major industry at CVS. Since the coming of Coach Paul Erickson, many fine squads have been turned out, some of championship calibre. Two junior squads have been crowned champions of the Public School League. Two squads, a senior and a junior, have gone all the way to the final game and lost, the juniors by one point. The spirit of teamwork, of one-for-all, is nowhere better revealed than in these basketball squads. There are no swelled heads, because there are no outstanding players—all play equally

well. Consequently at "pep" assemblies the most bashful boys are the players.

During basketball season the mammoth gym resounds from afternoon to late at night with the sounds of practice and scrimmage, and when the squads face their first opponents in the winter, resplendent in their blue and gold uniforms, there is confidence in their attitude and good sportsmanship in their demeanor. This spirit is communicated to the spectators, all of which helps to place CVS at the top as a model of good sportsmanship.

SENIOR BASKETBALL TEAM

Massey, Janczak, Mitchell, Heersema, Ell, Petro,
Klein, Groenewold, Yates, Gerzon, Babb, Taylor,
Erickson (Coach), Scott, Natelborg, Moran.

JUNIOR BASKETBALL TEAM

Murawski, Dekker, McCabe, Milashoski, Fabian,
Sales, Melin, Gibertini, LePitre, Frangella, Ramirez,
Skiba, Valadez, Bruno, Bell, Donahue, Erickson
(Coach), Schumacher, Jarard, Budner.

Beryl McNabb

Our Wrestlers

There are no television fakes among the wrestlers at CVS. A boy must be able to hold his own in competition with his fellows. He is first taught how to care for his body, how to build it up, so that he will not be hurt, and then he is taught the various holds, and falls that bring victory against his opponents. Spectators have often been heard to remark that the outstanding characteristic of CVS wrestlers is their confidence and aggressiveness. They go into the ring with the will to win. As a consequence the school has won most of its bouts for the last four years, and

has won the championship of the Public School League for two years in a row.

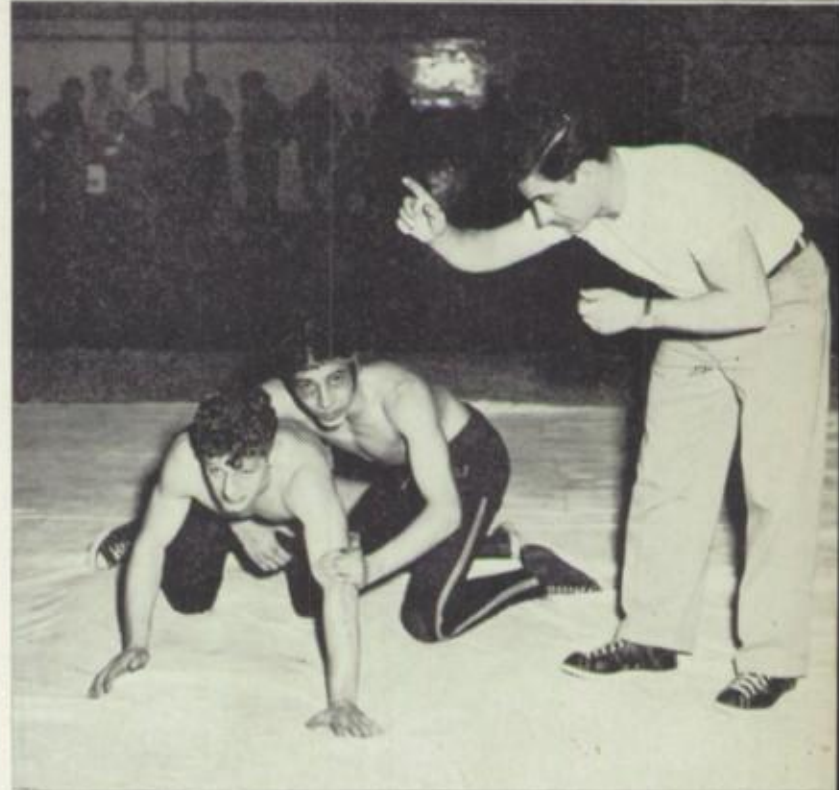

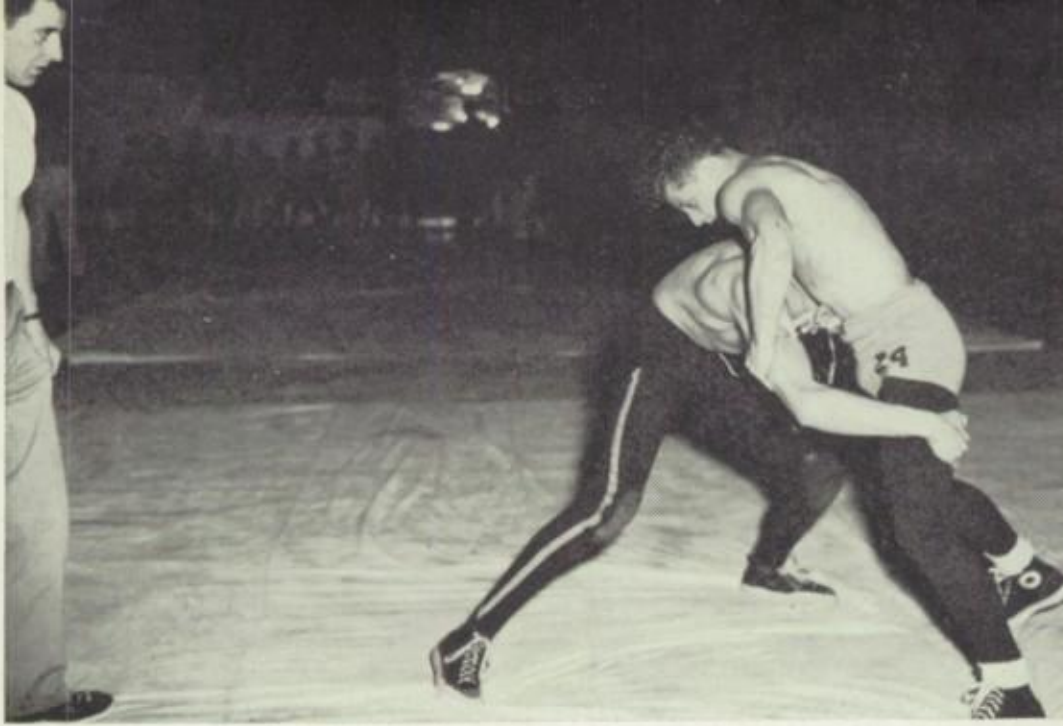

Some of the wrestlers have run up a string of victories that are accounted for solely by pins — there is not a decision among them. Coach Beryl McNabb himself has an enviable record behind him as a college wrestler.

Sports fans who have viewed many high school matches declare that for thrills and excitement there is nothing to beat high school wrestling. Television wrestling is tame beside it.

BERYL McNABB
Coach

WRESTLERS

McNabb, Cohen, Clark, Magana, Rosseler, Noonan, Arellano, Lauth, Fernandez, Earl, Costello, David, Rogowski, Neuber.

McNabb (Coach), Harding, Vega, Tavitas, Mondragon, Kruchow, Jarden, Cavanaugh, Chamberlain, Roche, Storie, Perry, Hall, Specht, Moraneki, Vila, Rose, Sullivan, Moscato, Sturm, Bergmark, Genovese, Harnisch.

Football

In spite of many hours of toil in the mud and slush, our Cavalier grid heroes have not as yet produced a championship aggregation. Each year their hustle has shown us an improved team which has always been a contender. The 1950 squad looks bigger and stronger; perhaps these boys will bring home the first title in the pigskin sport to add to the many laurels already achieved by versatile Cavalier athletes. Coaches Antonides, Skoronski, and Pekelsma, ever modest, are optimistic and the spring squad shows us fifty warriors in uniform.

FOOTBALL-VARSITY

Coach Skoronski, Cavanaugh, Boldt, Etten, Riordan, Muscatto, Jackson, Meyerchick, King, Pollum, Pilawski, Lunn, Krug, Knutson, Gorence, Kastberg, Bednarak, Vola, Coach Antonides, Moran, Antanaglia, Ditty, Szabo, Harnisch, Stanford, Genovese, Janulis, Blaszak, Palandech, Noonan, Nelson, Krause, Benny, Arellano, Miller, Europa, Toth, Gurnic, Jarden, O'Neill - Capt., Pedersoli, Miller, Norville, Somodi.

FROSH-SOPH 1

Miss Technician

Being chosen most popular coed in a school of four thousand is an accolade that may come but once in a young lady's career. In the case of Audrey Paul, Miss TECHNICIAN of 1950, the honor is warmly deserved. Quiet and demure as a senior, Audrey is a member of the Honor Society and the only girl, thus far, to chose a vocation ordinarily suited to the gentlemen. Audrey is graduating with honors in Architectural Drafting. With the escort of her choice, she will lead the 1950 Prom, clad in a gown which is a product of our Costume Design department and presented with the compliments of the TECHNICIAN. Congratulations, Audrey!

Goals of Luck
Success in the
Future.
Candace Paul

Technician Staff

A high school year book is seen by many as a "necessary evil". It is an expensive proposition and a great deal of work for which the engravers and photographers make all the money and the staff and its sponsors make all the mistakes. The 1949 TECHNICIAN travelled considerably; Lieut. Tom Beegan received his copy at Point Barrow, Alaska; Maui Vocational enjoyed its copy at Wailuku, Maui; LCDR. Russell left one at Cien Fuegos, Cuba, but the school address brought it home. The 1949 edition won first place in a national contest of vocational schools and colleges. The reason for excluding the award is not due to the modesty of the staff, but rather to the fact that it may never happen again. On these two pages you see the faces of the characters responsible for all the errors contained in the entire one hundred forty-four; they will all be wearing false whiskers after the tome is delivered.

We wish to take this opportunity to thank our many friends in the administration, the faculty, and the maintenance department whose painstaking patience and cooperation have made this publication possible. While wishing hearty congratulations to the graduates of June 1950 and January 1951, we also wish to thank them for their support. We go to press with the hope that this graphic record of Chicago Vocational School in 1950 will bring chuckles from grandchildren fifty years hence.

TECHNICIAN STAFF

Wilkerson, Murray, Evancho, Gryczewski, Dwarzycki, Rice, Ryan, Norville, Rhodes, Nunakawa, Strong, Baadsgaard, Williams, Huck, Semancheck, Pedersoli, Johnson, Robertson, Hall, Johnson, Conte.

ADVISORS

JOHN B. RUSSELL - English Coordinator
Editorial

H. HARRIS HOWELER - Typographic Design
Design

THOMAS M. COE - - - Mathematics
Financial

ROYAL P. KIRCHNER - - Occupations
Advisor to the Advisors

John B. Russell
H. Harris Howeler

If you are prone to quarrel with our headings, speak to the trio above at their boards in the ever neat and orderly TECHNICIAN office. Rhodes appears to be lost in design as Dwarzycki gives Jack Nunokawa a suggestion. Ed Gryczewski is trying to figure whom he must find next as Peggy Baadsgaard and Barbara Wilkerson pound it out. Mary Ann Conte is reading proof on some of her own copy. The TECHNI-METER is operated by the "COE-horts" and keeps everyone informed on current sales in the divisions.

Dear
